13. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule
The benefit of implementing the rule is to have chapters which are statutorily compliant and reflective of current practices. In addition, the rule removes burdensome or obsolete provisions.
The alternative is for to have chapters which have not had a comprehensive review and update since 1999 (chapter DE 2) and 1982 (chapter DE 3)

14. Long Range Implications of Implementing the Rule
The long range implication is clear and concise rules.

15. Compare With Approaches Being Used by Federal Government
None

16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)
The proposed revisions are very similar to our neighboring states.

ADMINISTRATIVE RULES

Fiscal Estimate & Economic Impact Analysis

Illinois: Illinois accepts the following examinations: North East Regional Board of Dental Examiners (NERB); Central Regional Dental Testing Service (CRDTS); Southern Regional Testing Agency (SRTA), Western Regional Examining Board (WREB) or Council of Interstate Testing Agencies (CITA) completed within the last 5 years if never licensed in another jurisdiction. The examination scores are set by the testing service. Illinois requires Basic Life Support (BLS) certification. Applicants for a faculty license are not required to appear before the Board for an interview. A dentist or dental hygienist renewing after 5 years shall complete 48 hours of continuing education and provide one of the following: active practice in another jurisdiction for 3 of the last 5 years; military service; or pass one of the licensing examinations. A dental hygienist may not perform procedures that require the professional judgment and skill of dentist or those procedures that constitute the practice of dentistry.

Iowa: Iowa accepts the following regional examinations: CRDTS, WREB, SRTA, Commission on Dental Competency Assessments (CDCA) [NOTE: CDCA was formerly known as NERB], CITA within the previous 5 years. A passing grade of at least 75% is required. Iowa requires CPR certification. Applicants based upon licensure in another state shall have passed a regional examination within the previous 5 year period or 3 consecutive years immediately prior to the filing of the application been in active practice of dentistry. Applicants for a faculty license are not required to appear before the Board for an interview. Renewal of a lapsed license requires evidence of completion of a total of 15 hours of continuing education per each lapsed year up to a maximum of 75 hours or evidence of licensure in another state in good standing.

Michigan: Michigan accepts the NERB examination or one that is substantially equivalent. The board adopts the score recommended by NERB but not less than a converted score of 75 on each component of the examination. Applicants for a faculty license are not required to appear before the Board for an interview. Applicants based upon license in another state are required to demonstrate practicing in another state of a minimum of 5 years immediately preceding the application or successful completion of a regional examination. Renewal of a license which has lapsed more than 5 years may be renewed by meeting initial licensure requirements or evidence held a license in another state within 3 years immediately preceding renewal. The license shall be displayed in the principal place of practice. A dentist may not delegate, the following: the diagnosing or prescribing for disease, pain, deformity, deficiency, injury or physical condition; the cutting of hard and soft tissue; the removal of accretions, stains, or calculus deposits; deep scaling; root planning; any intra-oral restorative procedures (some procedures allowed under direct supervision); administration of local anesthesia, nitrous oxide analgesia (may perform if certain qualifications are met) or acupuncture; irrigation and medication of root canals, try-in of cones or points, filing or filling of root canals; taking impressions for any purpose other than study or opposing models; or permanent cementation of any restorative or appliance.

Minnesota: Minnesota requires passage of a board approved examination. Applications for a faculty license are not required to appear before the Board for an interview. An application based upon licensure in another state requires at least 2,000 of active practice within 36 months of application. Renewal of a lapsed license after 2 years requires the following: a jurisprudence exam; physical examination attesting to the applicant's physical and mental condition; an optical examination; and successfully pass an examination or completion or board approved education. A dental hygienist may perform various procedures based upon direct or indirect supervision and whether a dentist is present on the premises.
