Assumptions Used in Arriving at Fiscal Estimate <p>The review of DOC 328 aims to make updates prompted by various pieces of legislation, changes in the operations and practices of the department as they affect adult field supervision.</p> <p>For example, current rule does not address changes to the collection of restitution and court ordered obligations provided under 2015 Act 355. In addition, language regarding Short-Term Sanctions need to be updated to incorporate eligibility of probationers and parolees.</p> <p>The Department estimates there will be no fiscal impact as a result of these Administrative rules updates and changes. Individual pieces of legislation may have had some fiscal impact, but these rule changes alone have no fiscal impact.</p> <p>Legislative Council style, formatting and grammar suggestions are also incorporated to create consistent and accurate terminology and statutory applications.</p>		
Long-Range Fiscal Implications Indeterminant.
