

## Clearinghouse Rule 19-097

**State of Wisconsin  
Department of Employee Trust Funds  
Employee Trust Funds Board  
Wisconsin Retirement Board  
Teachers Retirement Board**

The scope statement for this rule, SS 017-19, was approved by the Governor on January 30, 2019, published in Register No. 758A2, on February 11, 2019, and approved by ETF Secretary Robert Conlin on March 22, 2019.

**The Wisconsin department of employee trust funds proposes an order to repeal ETF 50.42 (1), (3m) and (4), 50.44 (2), 50.46, 50.48, 50.50, 50.54 (2), and 50.56 (2) (b); to renumber and amend 50.44 (1); to amend ETF 50.30 (1g), 50.40, 50.54 (3) and (4), 50.56 (title), (3) (a) 1., 4 (a), and (5), 50.62 (1) and (Notes) 1. and 2., 52.16 (4) (b) 2., 52.22 (3), and 52.24 (1); and to repeal and recreate ETF 50.58, 50.60 and 52.16 (6); relating to updating ETF rules to reflect the closure of the Long-Term Disability Insurance program to new claims and making technical changes to the ETF rules related to the Duty Disability Program established by s. 40.65, Stats.**

### Analysis Prepared by the Department of Employee Trust Funds

1. Statutes interpreted:  
Sections 40.63 and 40.65 Stats.
2. Statutory authority:  
Sections 40.03 (2) (i) and 227.11 (2) (a), Stats.
3. Explanation of agency authority:  
By statute, the ETF Secretary is expressly authorized, with approval by the Employee Trust Funds Board, Wisconsin Retirement Board and Teachers Retirement Board, to promulgate rules that are required for the efficient administration of the fund or of any of the benefit plans established by ch. 40 of the Wisconsin Statutes.

In addition, each state agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency if the agency considers it necessary to effectuate the purpose of the statute.

4. Related statutes or rules:  
There are no other related statutes or administrative rules directly related to this rule.
5. Plain language analysis:

The purpose of this rule is to make technical updates to account for the previous closure of the Long-Term Disability Insurance program (LTDI) to new claims effective January 1, 2018. This consists of changes to ETF 50 such as repealing sections of the rules that are no longer in effect due to the closure of LTDI, changing verb tenses to past tense, removing references in ETF 50 to sections of ETF 50 that are being repealed, and updating the percentages used to calculate annual adjustments to benefits to reflect current percentages.

Additionally, ETF proposes minor technical modifications to the regulations related to the Duty Disability Program established by s. 40.65, Stats. These modifications to ETF 52 add clarification to the current language in ETF 52, such as adding language to clarify the meaning of earnings for purposes of offsetting duty disability benefits.

6. Summary of, and comparison with, existing or proposed federal statutes and regulations:  
There are no existing or proposed federal regulations that directly pertain to this proposed rule.
7. Summary of public comments and feedback on the statement of scope:  
Pursuant to s. 227.136, Stats. a preliminary public hearing was held on statement of scope, SS 017-19, on March 21, 2019. A corresponding public comment period was also conducted. No members of the public attended the hearing or submitted written comments.
8. Comparison with rules in adjacent states:  
As the changes proposed are technical updates to correct obsolete language and make ETF rules consistent with recent program changes, there is no directly applicable comparison to adjacent states. Periodically, similar agencies in adjacent states promulgate technical rules to update existing administrative rules.
9. Summary of factual data and analytical methodologies:  
Due to the closure of the Long-Term Disability Insurance Program (LTDI) to new claims, the ETF rules contain obsolete regulatory provisions, terms, and cross-references. These changes would allow ETF rules to be consistent with recent program changes, rather than continuing with outdated language in the code.
10. Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:  
This rule does not have an effect on small businesses because private employers and their employees do not participate in, and are not covered by, the Wisconsin Retirement System. Please see attached economic impact analysis.
11. Effect on small business:  
The rule has no effect on small businesses.
12. Regulatory Flexibility Analysis

The proposed rule has no effect on small businesses because only governmental employers and their employees may participate in the benefit programs under ch. 40 of the statutes administered by the Department of Employee Trust Funds.

13. Fiscal Estimate  
Please see the attached fiscal estimate.
14. Agency contact person (including e-mail and telephone):

**ETF 50.56 (3) (a) 1.** The written physician's report required in s. ETF 50.54 (3) indicates that the recipient has recovered from the medically determinable impairment so that the recipient is no longer totally and permanently disabled, or, for a recipient ~~qualifying who qualified~~ under s. ETF 50.58 ~~(4)~~, recovered to the extent that the recipient can efficiently and safely perform the duties required by the recipient's former position as a protective occupation participant or that the recipient's impaired condition is not likely to be permanent. LTDI benefits are payable up to the date of recovery.

**(4) (a)** Except as provided in par. (b) and s. ETF 50.58 ~~(4)~~ ~~(e)~~ (2), the payment of LTDI benefits shall be terminated and no LTDI benefits shall be payable after the first of the month in which a determination is made by the department that the recipient has received during the calendar year earnings or other earned income exceeding the earnings limit.

**(5) TERMINATION UPON CERTAIN REEMPLOYMENT.** LTDI benefits for a recipient under s. ETF 50.58 (1) ~~(a)~~ shall be terminated upon reemployment as provided in s. ETF 50.58 ~~(1)~~ ~~(d)~~ (3).

**SECTION 12.** ETF 50.58 is repealed and recreated to read:

**ETF 50.58 Special provisions applicable to protective occupation participants.**

**(1) NOT TOTALLY AND PERMANENTLY DISABLED.** An LTDI recipient who is a protective occupation participant is not disqualified from receiving LTDI benefits although not totally and permanently disabled, provided the recipient's LTDI benefit was approved based on all of the following:

**(a)** The recipient had accumulated 15 or more years of creditable service and earned at least 0.33 years of creditable current service or prior service, or both, in each of at least 5 calendar years not including any calendar year preceding by more than 7 calendar years the year in which the claim for LTDI benefits was received by the department.

Note: The accumulated creditable service need not be in the protective employment category and may include military service.

**(b)** The recipient would have attained age 55 in 60 months or less after the occurrence of disability.

**(c)** The medical evidence established a disability to the extent that the participant could no longer efficiently and safely perform the duties required by the participant's position, and that the condition was likely to be permanent. In this paragraph, "medical evidence" means written certifications received by the department from at least 2 licensed and practicing physicians who have been approved or appointed by the department.

**(2) EXCEEDING EARNINGS LIMIT.** Notwithstanding s. ETF 50.56 (4) (a), LTDI benefits for a recipient under this section may not be terminated for exceeding the earnings limit. The payment of LTDI benefits shall be suspended and no LTDI benefits shall be payable after the first of the month in which a determination is made by the department that the recipient has received during the calendar year earnings or other earned income exceeding the earnings limit. Payment of LTDI benefits suspended under this paragraph shall resume on the first day of the next calendar year.

**(3) REEMPLOYMENT IN LAW ENFORCEMENT OR FIRE FIGHTING.** Payment of LTDI benefits shall be immediately terminated upon employment of a recipient in a law enforcement or fire fighting capacity.

**SECTION 13.** ETF 50.60 is repealed and recreated to read:

**ETF 50.60 Plan funding.** The actuary shall determine liabilities for the LTDI program annually and include those liability determinations in the calculation of contribution rates as determined under s. 40.05, Stats., for the Wisconsin retirement system, based on the information available at the time the determination is made and on the assumptions the actuary recommends and the employee trust fund board approves.

**SECTION 14.** ETF 50.62 (1) and (Notes) 1. and 2. are amended to read:

**ETF 50.62 (1) Annual adjustments to benefits.** The percentage of the annual adjustment to a recipient's LTDI basic benefits or retirement supplemental benefits under s. ETF 50.52 (1) (a) or (2) (b) shall be prorated in the first calendar year after the effective date of the benefits. The applicable adjustment percentage shall be determined by multiplying the percentages as applicable to post-retirement annuity adjustments under s. 40.27, Stats., by the proration factor from Table 1 according to the effective date the benefits began. If the resulting prorated adjustment percentage is less than ~~4%~~ 0.1%, no increase shall result.

EXAMPLE 1: A recipient begins to receive LTDI benefits effective August 10. The annual adjustment for the following year is an increase of ~~5%~~ 1%. The recipient would instead receive an increase of ~~1.67% (5% x 0.333 = 1.67%)~~ 0.33% (1% x 0.333 = 0.33%). The following year the annual adjustment is an increase of 6%. The recipient receives the entire 6% increase.

EXAMPLE 2: A recipient begins to receive LTDI benefits effective November 30. The annual adjustment for the following year is an increase of ~~5%~~ 1%. The recipient would receive no increase. Although ~~5% x 0.083 = 0.415%~~ 1% x 0.083 = 0.083%, this is less than ~~4%~~ 0.1% and therefore no increase results. The following year the annual adjustment is an increase of 6%. The recipient receives the entire 6% increase.

**SECTION 15.** ETF 52.16 (4) (b) 2. is amended to read:

**ETF 52.16 (4) (b) 2.** If the accumulated total of the amounts withheld under this subsection exceeds the participant's lump sum worker's compensation payment or compromise settlement, then the difference between the duty disability benefit that was paid and the benefit that would have been paid had the 5% not been withheld shall be refunded to the participant when the participant's worker's compensation benefits have been determined and the lump sum payment shall not otherwise reduce monthly duty disability benefits.

**SECTION 16.** ETF 52.16 (6) is repealed and recreated to read:

**ETF 52.16 (6) EARNINGS; INCOME FROM THERAPY OR REHABILITATION. (a)** "Earnings," for purposes of s. 40.65 (5) (b) 5. and 6., Stats., means the gross amount paid to an employee by an employer as salary or wages, including amounts provided through deferred compensation or tax shelter agreements, for personal services rendered to or for an employer, or which would have been available for payment to the employee except for the employee's election that part or all of the amount be used for other purposes; and the money value, as determined by the employer, of any board, lodging, fuel, laundry, and other allowances provided for the employee in lieu of money. For purposes of this paragraph, the gross amount shall be determined prior to deductions for taxes, insurance premiums, retirement contributions or deposits, charitable contributions, or similar amounts.

**(b)** "Income from self-employment," for purposes of s. 40.65 (5) (b) 6., Stats., means gross income from self-employment minus business expenses.

**(c)** The department may elect not to reduce a participant's benefit because of income related to therapy or rehabilitation, following a written request by the participant to the department.

**SECTION 17.** ETF 52.22 (3) is amended to read:

**ETF 52.22 (3) LIMITATIONS.** If a protective occupation participant who was approved for duty disability benefits dies of a disease listed under s. 891.45, 891.453, or 891.455, Stats., but the benefit was not approved based on that disease, the surviving spouse or domestic partner is, or surviving children of the protective occupation participant are not eligible to apply for death benefits as a result of that disease.

**SECTION 18.** ETF 52.24 (1) is amended to read:

**ETF 52.24 (1) MONTHLY EARNINGS FROM EMPLOYMENT.** A person receiving duty disability benefits shall keep records of all earnings received, including profits from self-employment, during each month beginning with the effective date, whether paid by the employer under whom the duty disability occurred or from any other employer. The department shall request the records at least annually and, upon request, the person shall supply the records to the department. ~~As used in this subsection and in s. 40.65 (5) (b) 6., Stats., the terms "earnings" and "employer" have their broad, plain meaning and are not limited to the definitions in s. 40.02 (22) and (28), Stats.~~

**SECTION 19. EFFECTIVE DATE.** This rule shall take effect on the first day of the month following publication in the Wisconsin Administrative Register as provided in s. 227.22 (2) (intro.), Stats.
