

## **Notice of Submittal of Proposed Rule to Legislative Council Rules Clearinghouse**

On November 22, 2019, the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers, and Professional Land Surveyors submitted a proposed rule to the Wisconsin Legislative Council Clearinghouse pursuant to s. 227.15 (1), Wis. Stats.

### **Analysis**

The proposed rules affect Chapter A-E 7, relating to minimum standards for property surveys.

### **Statement of Scope**

The scope statement for this rule, SS 009-18, was approved by the Governor on February 7, 2018, published in Register No. 746A2 on February 12, 2018, and approved by the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers, and Professional Land Surveyors on February 23, 2018.

### **Agency Procedure for Promulgation**

A public hearing is required and will be scheduled.

### **Agency Organizational Unit Primarily Responsible for Promulgating Rule**

Examining Board of Architects, Landscape Architects, Professional Engineers, Designers, and Professional Land Surveyors
