Rule Report for Legislative Review

Technical Updates to DCF Rules

DCF 13, 35, 52, 56, 57, 202, 250, and 251

Basis and Purpose of the Proposed Rules

The proposed rules make minor technical corrections to various department rules, including correcting cross-references, updating terminology, and incorporating minor statutory changes.

Public Hearing Summary

The department held a public hearing in Madison on February 13, 2020. No comments on the proposed rules were received.

Response to Legislative Council Staff Recommendations

2. a. Accepted
2. b. The department agrees to generally use the singular form of a word. In this particular case, the department believes the plural form of certain words will assist stakeholders with understanding the requirements of the rule.
2. c. When CR 19-089 becomes effective on April 1, 2020, s. DCF 13.11 will contain a sub. (1) and (2) due to renumbering by the Legislative Reference Bureau under s. 13.92 (4) (b) 1., Stats.

Final Regulatory Flexibility Analysis

The proposed rules improve the clarity and accuracy of various department rules. There are no compliance costs for small businesses.
