18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois:

The Illinois Board of Examiners requires applicants for a CPA to complete the Uniform CPA exam's four sections within a rolling 18-month period begin upon completion of the first section. There is no provision for an extension of time due to hardship, however time spent in active duty in the United States military does not count toward the 18-month deadline. (Ill. Admin. Code § 1400.140).

Iowa:

Iowa admin code 193A—3.6 and 3.7 (542) lay out the examination requirements for certification as a public accountant in Iowa. The Uniform CPA Examination must be completed within a rolling 18-month period beginning upon completion of the first section. The Iowa Accountancy Examining Board may waive this requirement due to applicant illness, death in the family, or military service.

Michigan:

Michigan administrative code requires the Uniform CPA Exam to be completed within a rolling 18-month period beginning upon the completion of the first section. The code allows the board to extend the 18-month window in the event of an applicant's or the applicant's immediate family's illness, applicant's military service, death in the family, or other good reason as determined by the Michigan Board of Accountancy. (MI Admin. Code § R 338.5110a).

Minnesota:

Minnesota administrative code requires the Uniform CPA Examination to be completed within a rolling 18-month period beginning upon completion of the first section of the examination. The Minnesota Accountancy Board may waive this requirement upon a showing that the applicant cannot meet the deadline due to circumstances beyond the applicant's control (MN Admin. Code § 1105.2000).
