17. Compare With Approaches Being Used by Federal Government
None

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)
Illinois:

Rules of the Illinois Department of Financial and Professional Regulation establish continuing medical education requirements for physicians licensed in Illinois [68 Ill. Adm. Code 1285.110]. The rules do not require continuing education related to prescribing opioids or other controlled substances.

Iowa:

Rules of the Iowa Board of Medicine establish continuing education requirements for physicians licensed in Iowa [653 IAC 11]. The rules require a licensee who has prescribed opioids to a patient during the previous license period to complete at least 2 hours of category 1 credit regarding the United States Centers for Disease Control and Prevention (CDC) guideline for prescribing opioids for chronic pain, including recommendations on limitations on dosages and the length of prescriptions, risk factors for abuse, and nonopioid and nonpharmacologic therapy options, every 5 years [653 IAC 11.4(1) d. (1)].

Michigan:

Rules of the Michigan Department of Licensing and Regulatory Affairs establish continuing medical education requirements for physicians licensed in Michigan [Mich Admin Code, R 338.2441 to R 338.2443]. The rules require a minimum of 3 hours of continuing education to be earned in pain and symptom management, including any of the following areas:

- Public health burden of pain.
- Ethics and health policy related to pain.
- Michigan pain and controlled substance laws.
- Pain definitions.
- Basic sciences related to pain including pharmacology.
- Clinical sciences related to pain.
- Specific pain conditions.
- Clinical physician communication related to pain.
- Management of pain, including evaluation and treatment and nonpharmacological and pharmacological management.
- Ensuring quality pain care.
- Michigan programs and resources relevant to pain.

Minnesota:

Rules of the Minnesota Board of Medical Practice establish continuing education requirements for physicians licensed in Minnesota [Minnesota Rules, chapter 5605]. The rules do not require continuing education related to prescribing opioids or other controlled substances.
