**Assumptions Used in Arriving at Fiscal Estimate:**

The rule (1) moves a section to an appropriate existing rule and (2) reflects the marketplace provisions in 2019 Wisconsin Act 10.

2019 Wisconsin Act 10 created new requirements for marketplace sellers regarding sales tax collections, which led to an increase in sales tax collections compared to prior law.

The fiscal effect of the statutory changes is already reflected in prior general fund condition statements and state general fund tax revenue estimates.

This rule order makes changes to reflect current law and current department policy. It makes no policy or other changes, therefore, there is no state or local fiscal effect.
