Illinois: The Illinois administrative rules reflect that the Council on Education is now referred to as the Council on Podiatric Medical Education of the American Podiatric Medical Association (68 Ill. Admin. Code s. 1360.20 (b)). The Illinois code does not list the specialty boards that are approved by the department (68 Ill. Admin. Code s. 1360.85 (d)).

Iowa: Iowa administrative rules reflect that the Council on Education is now referred to as the Council on Podiatric Medical Education of the American Podiatric Medical Association (645 IAC 220.4 (1)). Iowa provides that false or misleading advertising is grounds for disciplinary action, but it does not expressly require the podiatrist to provide the name of the specialty board in the advertisement (See 645 IAC 224.2 (5)).

Michigan: Michigan administrative rules reflect that the Council on Education is now referred to as the Council on Podiatric Medical Education of the American Podiatric Medical Association (Mich. Admin Code s. R 338.8113). The code does not appear to expressly regulate podiatrist advertising.

Minnesota: Minnesota administrative rules reflect that the Council on Education is now referred to as the Council on Podiatric Medical Education of the American Podiatric Medical Association (Minn. Admin Code s. 6900.0020 (2)). Minnesota code does not provide grounds for disciplinary action. Minnesota statute does provide that false or misleading advertising is grounds for disciplinary action, however it does not expressly require the podiatrist to provide the name of the specialty board in the advertisement (See Minnesota Statutes, Section 153.19 (1)).
