None

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois: The Illinois Department of Financial and Professional Regulation (IDFPR) regulates speech-language pathologists and audiologists under the Board of Speech-Language Pathology and Audiology. Certification is provided to individuals who have demonstrated they possess a masters' or doctoral degree from a speech pathology or audiology program and pass the Praxis examination or provide a Certificate of Clinical Competence in Speech-Language Pathology or Audiology awarded by the American Speech-Language-Hearing Association's Clinical Certification Board. (225 ILCS 110/8)

Temporary licenses may be renewed one time only for a 12-month period for individuals serving full-time in the Armed Forces; in an incapacitating illness documented by a currently licensed physician; or any other similar extenuating circumstances. (225 ILCS 1465.41)

In 2019, the Illinois Legislature passed legislation expediting professional licensure for service members and spouses who are active-duty members or whose active-duty service concluded within the preceding 2 years before application. In part, this law states that, once an active member of the military (or their spouse) has submitted all required documents and fee as part of a completed license application, it will be reviewed within 60 days. (20 ILCS 5/5-715)

Iowa: The Iowa Department of Public Health (IDPH) regulates speech pathologists and audiologists under the Board of Speech Pathology and Audiology. In Iowa, licensure is provided to those demonstrating proof of either a masters' degree in speech pathology or a doctoral degree in audiology, or the equivalent of one of these degrees and the official completion of at least 400 hours of supervised clinical training, and completion of the Praxis examination (645 IAC 645.303(147))

In Iowa, veterans with an unrestricted professional license in another jurisdiction may apply for licensure by passing any required licensure examination provided credit for examinations previously passed. Licenses are granted if the applicant if the applicant is licensed in the same or similar profession in another jurisdiction whose licensure requirements are substantially equivalent to those required in Iowa, unless the applicant is ineligible for licensure based on other grounds, for example, the applicant's disciplinary or criminal background. If an applicant has not passed the required examination(s) for licensure, the applicant may not be issued a provisional license, but may request that the licensure application be placed in pending status for up to one year or as mutually agreed to provide the applicant with the opportunity to satisfy the examination requirements. (645 IAC—20.3(272C))

State of Iowa governance citations regarding audiometric standards, equipment or practices could not be located.

Michigan: The Michigan Department of Licensing and Regulatory Affairs (MDLRA) regulates speech pathologists and audiologists under the Board of Speech-Language Pathology and the Board of Audiology, respectively. License credentials are provided to individuals who possess a master's degree in speech pathology or a master's degree or doctoral degree in audiology. Those seeking an initial speech pathology license must have performed at least 1,260 hours of postgraduate clinical experience. All those seeking speech-language and audiologist credentials must pass the Praxis examination. (MCL 338.3)

In Michigan, active-duty service members, veterans, spouses, or their qualifying dependents may obtain an initial health profession, occupational license, or certification of registration in a profession or occupation for which they hold a
