Act includes requirements for consultation and referral to a team or consulting physician (225 Illinois Compiled Statutes Chapter 5 Section 3 Subsection 4). The Illinois Administrative Code does not include rules address consultation with a licensed physician as it relates to the scope of practice of athletic training (Illinois Administrative Code Title 68 Section 1160).

Iowa: The Iowa Public Health Department is responsible for the licensure and regulation of Athletic Trainers in Iowa, with input from the Iowa Board of Athletic Trainers. Chapter 152D of the Iowa Code outlines the statutes for the regulation of the practice of athletic training in Iowa. These statutes include general requirements for licensure and duties of the Iowa Board (Iowa Code Title IV Chapter 152D). The Iowa Administrative Code includes rules that establish that each licensee must ensure that documentation of physician direction is obtained and maintained, including an athletic training service plan, referrals, initial evaluations and assessments, and dates of subsequent follow-up care (645 Iowa Administrative Code Chapter 351).

Michigan: The Michigan Athletic Trainer Board is responsible for the licensure and regulation of Athletic Trainers in Michigan. Act 368 Article 15 of the Michigan Compiled Laws includes the regulations for Athletic Trainers in Michigan, among several other occupations (Michigan Compiled Laws Act 368 Article 15 Chapter 333 Part 179). The Michigan Department of Licensing and Regulatory Affairs, in conjunction with the Michigan Board, promulgates administrative rules that include requirements for licensure, education, and examination, among other topics. Neither the statutes or the administrative rules include requirements for consultation with or referral to a licensed physician as it relates to the scope of practice of athletic training (Michigan Administrative Code R 338.1301-R 338.1378).

Minnesota: The Minnesota Board of Medical Practice is responsible for the licensure and regulation of Athletic Trainers in Minnesota. The Minnesota Athletic Trainers Act includes statutory requirements for limitations on practice, licensure, and continuing education, among other topics. According to section 148.7807 of these requirements, an Athletic Trainer must refer a patient to a person licensed to practice medicine in Minnesota if they determine that a medical condition is beyond their scope of practice (Minnesota Statutes Section 148.7801 to 148.78015). Part 5600 of the Minnesota Administrative Code includes rules establish by the Minnesota Board, but does not mention requirements for consultation with or referral to a licensed physician as it relates to the scope of practice of athletic training (Minnesota Administrative Rules Chapters 5600 to 5620).
