Statutory authority: ss. 15.08 (5) (b) and 449.06 (2m), Stats.

Explanation of agency authority:

Section 15.08 (5) (b), Stats., provides each examining board “[s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains. . .”

Section 449.06 (2m), Stats., provides that “the examining board shall promulgate rules requiring a person who is issued a license to practice optometry to complete, during the 2–year period immediately preceding the renewal date specified in s. 440.08(2)(a), not less than 30 hours of continuing education. The rules shall include requirements that apply only to optometrists who are allowed to use topical ocular diagnostic pharmaceutical agents under s. 449.17 or who are allowed to use therapeutic pharmaceutical agents or remove foreign bodies from an eye or from an appendage to the eye under s. 449.18.”

Related statute or rule: None.

Plain language analysis:

The board is updating the continuing education requirements in order to clarify the number of in person continuing education hours required to renew an optometry license. Additionally, the continuing education requirements are also being reviewed and updated to create clarity and ensure required topics reflect the current practice of optometry, which takes into consideration if the licensee holds a DEA registration and does not prescribe controlled substances.
