Statutory authority: ss. 600.01(2), 601.41 (3), 601.42, 628.34 (12), 628.38, 632.81, Stats.

Statutes interpreted: ss. 600.03 (28p) and (28r), 632.81, Stats.

Analysis: These changes bring the Wisconsin regulations in compliance with changes in federal law under H.R. 5661, the Balanced Budget Refinement Act and the Ticket To Work And Work Incentives Improvement Act of 1999 that amend section 1882 of the Social Security Act which governs Medicare Supplement Insurance and Medicare, Medicaid and SCHIP Benefits Improvement and Protection Act of 2000 ("BIPA"). Further, these changes are also necessary to conform with the National Association of Insurance Commissioners (NAIC) Medicare Supplement Insurance Minimum Standards Model Act.

The changes specifically address the guaranteed issue provisions, the suspension of benefits and premiums and the Medicare + Choice areas of federal preemption. The changes also

include the following: reference to a new federal program, Program of All-Inclusive Care for the Elderly (PACE), created under the Social Security Act; provisions for notice and election rights of those whose Medicare + Choice plan is terminated; modification to the notice that is provided to applicants describing Part B benefits within Medicare Supplement policies; and repeal of the sections regulating the sale of Medicare + Choice plans due to federal preemption.
