Analysis of Proposed Rules

Statutory Authority: ss. 560.02(4) and 560.032, Stats.

Statutes Interpreted: s. 560.032, Stats.

Pursuant to section 560.032, Stats., the Department of Commerce is responsible for administering the allocation of volume cap on tax-exempt private activity bonds. The proposed rule has been adopted as an emergency rule to incorporate into the administrative code recent changes to the Internal Revenue Code which increase state volume cap limits on tax-exempt private activity bonds. The year 2000 limit in the Internal Revenue Code was \$50 per resident of the state. For the year 2001 the limit has been raised to \$62.50; for the year 2002 the limit will be \$75.00; and thereafter the limit will be indexed to inflation. The rule outlines the distribution of the volume cap between the State Building Commission, the Wisconsin Housing and Economic Development Authority, and the Department of Commerce. The current rules are also being revised to provide an allocation process that will allow the Department of Commerce to be more responsive to the needs of businesses as changes occur in the state's economy.
