

ORDER OF THE OFFICE OF THE COMMISSIONER OF INSURANCE

AMENDING AND CREATING A RULE

To amend Ins 3.37 (3) (intro), (b), (d) and (e); and to create Ins 3.37 (3) (g) , Wis. Admin. Code, relating to Transitional treatment.

ANALYSIS PREPARED BY THE OFFICE OF THE COMMISSIONER OF INSURANCE

Statutory authority: ss. 601.41(3), 632.89(4), Stats.

Statutes interpreted: ss. 632.89(4), Stats.

Section 632.89 (4), Stats., requires the Office of the Commissioner of Insurance to define services for which insurance coverage applies to various transitional treatment of mental health and alcohol and other drug abuse treatment services. Due to recent changes in regulations issued by the Department of Health and Family Services (DHFS), several cross reference cites within s. Ins 3.37, Wis. Admin. Code, are invalid and require amendment and modification.

In addition, developments in mental health treatment options have created additional transitional treatment options, including crisis intervention, that should be incorporated within the scope of services covered under transitional treatment. Coordinated emergency mental health intervention treatment provides immediate treatment options to persons experiencing a mental health crisis or are in a situation that if left untreated would likely become a crisis if proper support is not provided. These coordinated emergency mental health treatment services are not provided within a hospital setting, rather the treatment and intervention occurs where the crisis is occurring. If the person is at risk for repeated need for intervention, intervention plans would be developed with the goal of decreasing the frequency and intensity of future crises. Coordinated emergency mental health programs, also known as crisis intervention programs, have been found to be effective both in terms of care to consumers and as a cost efficient alternative to traditional urgent or emergency treatment.

Crisis intervention programs must be certified by the Department of Health and Family Services and may be utilized by insurers as an alternate transitional treatment program.

SECTION 1. Sections Ins 3.37 (intro), (3)(b), (d) and (e) are amended to read:

Ins 3.37 (intro) COVERED SERVICES. A policy subject to this section shall provide at least the amount of coverage required under s. 632.89 (2) (dm) 2., Stats., subject to the exclusions or limitations, including deductibles and copayments, that are generally applicable to coverage required under s. 632.89 (2), Stats., for all of the following:

3.37(3)(e) Services for alcoholism and other drug problems provided in a day treatment program certified by the department of health and family services under s. HFS ~~61.6175.12~~ (1) and (2)

SECTION 2. Section Ins 3.37 (3) (g) is created to read:

Ins 3.37(3) (g) Coordinated emergency mental health services for persons who are experiencing a mental health crisis or who are in a situation likely to turn into a mental health crisis if support is not provided. Services are provided by a program certified by the department of health and family services under s. HFS 34.03 and provided in accordance with subch. III HFS 34 for the period of time the person is experiencing a mental health crisis until the person is stabilized or referred to other providers for stabilization. Certified emergency mental health service plans shall provide timely notice to third-party payors to facilitate coordination of services for persons who are experiencing or are in a situation likely to turn into a mental health crisis.

SECTION 3. These changes first apply to policies issued or renewed on or after January 1, 2003.

SECTION 4. These changes will take effect on the first day of the month after publication, as provided in s. 227.22(2)(intro.), Stats.

Dated at Madison, Wisconsin, this _____ day of _____, 2002.
