REPORT TO THE LEGISLATURE

A. TEXT OF THE RULE

SECTION 1. PSC 111.51 (4) (b) 2. is amended to read:

PSC 111.51 (4) (b) 2. As soon as is practicable, but no more than 30 days after the commission has determined that a CPCN application is complete, the commission shall send ~~a paper~~ an electronic copy of the complete application to the clerk of each municipality and town in which the proposed facility is to be located and to the main public library in each county in which the proposed facility is to be located.

SECTION 2. Effective date. This rule shall take effect on the first day of the month following publication in the Wisconsin Administrative Register as provided in s. 227.22 (2) (intro.), Stats.

B. PLAIN LANGUAGE ANALYSIS

1. Statutory Authority and Explanation of Authority

This rule is authorized under ss. 196.02 (1) and (3), 196.491 (3) (a) and 227.11, Stats.

Section 227.11 authorizes agencies to promulgate administrative rules. Section 196.02 (1) authorizes the commission to do all things necessary and convenient to its jurisdiction. Section 196.02 (3) grants the commission specific authority to promulgate rules. Section 196.491 (3) (a) references commission rules about certificates of public convenience and necessity.

Statutes Interpreted

This rule interprets s. 196.491 (3), Stats.

Related Statutes or Rules

None.

2. Brief Summary of Proposed Rules

Currently, s. 196.491, Stats., requires the commission to send a copy of an application for a Certificate of Public Convenience and Necessity (CPCN) to clerks and public libraries. While s. PSC 111.51 (4) currently requires the commission to send an electronic copy of an initial CPCN application to municipal and town clerks and public libraries, it requires the commission to send a paper copy of a completed application.

2013 Wisconsin Act 10 made changes to s. 196.491, Stats., to require the commission to send an electronic copy of both an initial and a completed CPCN application to clerks and public libraries. Upon request, the commission is also required to send a paper copy of the application. This rulemaking will make the 2013 Wisconsin Act 10 changes to s. PSC 111.51 (4).

3. Comparison with Existing or Proposed Federal Regulations

The commission is not aware of any existing or proposed federal regulations on this matter.

4. Comparison with Similar Rules in Adjacent States

The Illinois Commerce Commission generally uses electronic filing and services of records related to their proceedings, however, their administrative code does not specify the manner in which CPCN applications will be served upon interested persons. (Ill. Admin. Code tit. 83, pt. 200.150 (h)). The Minnesota Public Utilities Commission requires applicants to file paper copies of CPCN applications and serves those paper copies on interested agencies of government.

Minn. R. 7849.0200 (2). The Michigan Public Utilities Commission's administrative rules do not identify the manner in which CPCN applications will be provided to local units of government (Mich. Admin. Code. r. 460.7601), but generally require parties serve paper copies upon interested parties (Mich. Admin Code r. 460.17105). The Iowa Utilities Board requires applicants to file paper copies of applications for CPCN in paper form and transmits those forms on behalf of the applicant to other "regulatory agencies." Iowa Admin. Code r. 199-24.3(476A).

5. Summary of Factual Data and Analytical Methodologies Used

The factual data is that 2013 Wisconsin Act 10 made changes to s. 196.491, Stats. Analysis is not necessary in this rulemaking since it merely conforms the rule to the statute.

6. Effect on Small Business

The s. 227.114(1), Stats., definition of "small business" states that to be considered a small business, the business must not be dominant in its field. Since they are monopolies in their service territories, electric utilities are dominant in their fields and, so, are not small businesses.

7. Agency Contacts

Questions regarding this matter should be directed to Justin Chasco at (608) 266-3708 or justin.chasco@wisconsin.gov. Small business questions may be directed to Anne Vandervort at (608) 266-5814 or anne.vandervort@wisconsin.gov. Media questions should be directed to Nathan Conrad, Communications Director at (608) 266-9600. Hearing or speech-impaired individuals may also use the commission's TTY number, if calling from Wisconsin (800) 251-8345, if calling from outside Wisconsin (608) 267-1479.

8. Accommodation

The commission does not discriminate on the basis of disability in the provision of programs, services, or employment. Any person with a disability who needs to receive this document in a different format should contact the docket coordinator, as indicated in the following paragraph, as soon as possible.

C. FISCAL ESTIMATE AND ECONOMIC IMPACT ANALYSIS

The Economic Impact Analysis for this rulemaking is included in Attachment A1.

D. BASIS AND PURPOSE OF RULES

The basis and purpose of this rule is to conform ch. PSC 111 with s. 196.491, Stats., as amended by 2013 Wisconsin Act 10.

E. SUMMARY OF PUBLIC COMMENTS AND COMMISSION RESPONSES

No comments were filed in this rulemaking.

F. APPEARANCES AT PUBLIC HEARING

This rulemaking was done without a hearing because, under s. 227.16 (2) (b), Stats., no hearing is required when an existing rule is being brought into conformity with a statute that has changed.

G. ANY CHANGES TO THE FISCAL ESTIMATE OR THE ANALYSIS UNDER s. 227.14 (2), STATS.

None.

H. RESPONSE TO LEGISLATIVE COUNCIL COMMENTS

There were no comments from the Legislative Reference Bureau. A copy of its report is included as Attachment A2.

I. MISCELLANEOUS DETERMINATIONS

The commission's WEPA coordinator examined whether the rules have an environmental impact and concluded that they do not. Commission staff also considered whether the rule will impact housing, s. 227.115, Stats., and concluded that they will not.
