STATE FAIR PARK

EMERGENCY RULE FOR REGULATION OF ACTIVITIES AT THE STATE FAIR PARK

Finding of Emergency and Rule Analysis:

The Wisconsin State Fair Park Board finds that an emergency exists and that the adoption of rules is necessary for the immediate preservation of the public peace, health, safety and welfare of its citizens. The facts constituting this emergency are as follows:

During the annual State Fair, which is scheduled to begin on August 3, 1995, the Wisconsin State Fair Park is host to over 100,000 people per day and millions of dollars in merchandise and property. Initially, Chapters SFP 1-7 were designed primarily to protect the property of the State Fair Park.

However, crime patterns at the State Fair Park have changed dramatically since those rules were adopted in 1967. With the increase in attendance and number of events in the intervening years, the number and severity of crimes against State Fair visitors, patrons, and property have necessarily increased. Also, a general rise in gang-related activity at Park events and during skating hours at the Pettit National Ice Center has occurred over the last several years. Consequently, there is a greater need for Park Police Department arrest authority on the Park grounds in order to ensure prosecutorial cooperation by Milwaukee County.

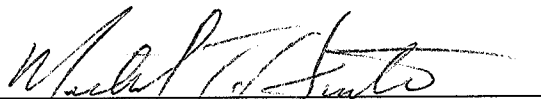

Due to excessive workloads, the Milwaukee County District Attorney's Office and the Milwaukee County Circuit Court System are reluctant to process and charge offenders for relatively minor property-type acts prohibited under the current SFP rules. Area and suburban Milwaukee County Police Departments have alleviated similar problems by conforming their ordinances to the county and state codes, authorizing their Police Departments to make lawful standing arrests for acts which the county will prosecute.

The State Fair Park Board seeks the same level of cooperation from Milwaukee County by conforming its rules to the county code. Therefore, these proposed emergency rules prohibit such activities as loitering, spray painting, theft, battery, and resisting/obstructing an officer, as well as various weapons and prohibitions. There is also included provisions to protect the police horses, which are not only an integral part of Park enforcement but are also a major public relations tool. With these changes, the Park administration can ensure a safe and family-oriented environment at this year's State Fair and other Park events.

These rules are therefore adopted as emergency rules to take effect upon publication in the official state newspaper and filing with the Secretary of State and the Revisor of Statutes as provided in s.227.24(1)(c), Stats.
