ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD
CREATING RULES

The State of Wisconsin Natural Resources Board proposes an order to create NR 5.21(3) relating to waiver of the slow-no-wake speed restriction on Lake Tombeau, Walworth County.

LE-8-98

Statutory authority: ss. 30.635 and 227.11(2)(a), Stats.
Statutes interpreted: s. 30.635, Stats.

The Department of Natural Resources received a petition from the Lake Benedict and Lake Tombeau Lake Management District, Walworth County for waiver of the slow-no-wake speed restriction on Lake Tombeau. Section 30.635, Stats., provides that on lakes 50 acres or less having public access, motorboats may not be operated in excess of slow-no-wake speed. Lake Tombeau is 35 acres. The proposed rule would allow the use of motorboats on Lake Tombeau for high speed boating and waterskiing. With the slow-no-wake speed restriction waived, Lake Tombeau has approximately 25 acres of useable water surface for high speed boating, taking into consideration the requirement for slow-no-wake speed within 100' of any dock, raft or pier on lakes in Wisconsin. There will have to be local ordinances by the lake management district to cover the operation of waterskiing to make the activity safe.

SECTION 1. NR 5.21(3) is created to read:

NR 5.21(3) The slow-no-wake speed restriction is waived on the waters of Lake Tombeau, located in the town of Bloomfield, Walworth county between the hours of 10:00 a.m. and sunset from May 15 to September 15.

The foregoing rule was approved and adopted by the State of Wisconsin Natural Resources Board on June 24, 1998.

The rule shall take effect on the first day of the month following publication in the Wisconsin administrative register as provided in s. 227.22(2)(intro.), Stats.
