CLEARINGHOUSE RULE 82-117

Analysis by the Department of Transportation

Prior to 1977, rental companies were regulated by the Public Service Commission. Chapter 29, Laws of 1977, transferred this responsibility to the Department of Transportation. This rule renumbers the rules applicable to rental companies from the PSC series to the TRANS series. The rule also substitutes the words department of transportation for public service commission wherever applicable. No substantive change is being made in the rule.

Fiscal Estimate

No fiscal effect is anticipated from the promulgation of these rule changes.

A copy of the rule may be obtained upon request from the Wisconsin Department of Transportation, Division of Motor Vehicles, P.O. Box 7911, Room 255, Hill Farms State Office Building, 4802 Sheboygan Avenue, Madison, WI 53707, (608) 266-2233.
