: (CLEARINGHOUSE RULE)

PROPOSED ORDER

An order of the Dentistry Examining Board to repeal DE 2.01 (1m) (c) and create DE 2.01 (1m) (d) relating to foreign trained dentists.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: s. 447.04, Wis. Stats.

Statutory authority: ss 15.08 (5) (b) and 447.04 (1) (b) 1., Wis. Stats.

Explanation of agency authority:

The Board shall promulgate rules for the guidance of the profession not inconsistent with the law relating to the profession. The Board shall establish requirements for licensure established by rule for granting a license to an applicant licensed in another state, territory or country.

Related statute or rule: None

Plain language analysis:

A foreign trained dentist is required to provide verification of being awarded a DDS or DMD degree from an accredited dental school or a dental diploma, degree or certificate from a dental education program lasting at least two years at an accredited dental school which is equivalent to didactic and clinical at the level of a DDS or DMD degree.

Summary of, and comparison with, existing or proposed federal regulation: None

Comparison with rules in adjacent states:

Illinois: Illinois requires graduates of programs outside of the United States or Canada to provide certification of completion of a minimum of 2 years of clinical training from an approved dental college in the United States or Canada in which the applicant met the same level of scientific knowledge and clinical competence as all graduates from that school or certification of completion of no less than 2 academic years of advanced dental education program.

Iowa: Iowa requires foreign trained applicants to receive a dental diploma, degree or certificate from a full-time, undergraduate supplemental dental education program of at least 2 academic years at an accredited dental college. The program must provide didactic and clinical education to the level of a DDS or DMD graduate.

Michigan: Michigan requires foreign trained applicants to complete a minimum 2 year program in dentistry in an approved school that leads to the awarding of a DDS or DMD or a minimum 2 year master's degree or certificate program in an approved dental school that leads to the awarding of a degree or certificate from a dental specialty program.

Minnesota: Minnesota requires foreign trained applicants to have an evaluation of the foreign dental school done by the International Credentialing Associates that the foreign dental school's education is equivalent to a dental school accredited by the Commission on Dental Accreditation.

Summary of factual data and analytical methodologies:

The Board reviewed the requirements of the surrounding states.
