

Final Regulatory Flexibility Analysis

Clearinghouse Rule 14-043, Natural Resources Board Order CF-13-13

The rule will have minimal economic or fiscal impacts on businesses or municipalities seeking funding from the Clean Water Fund Program. General eligibility criteria are prescribed by the federal Clean Water Act and the costs for obtaining funding is prescribed by State Statutes. The rule revisions simplify and clarify protocols and streamline processes but don't affect overall ability of municipalities to seek and obtain financing or the rates of that financing. Streamlining the program may result in slightly less costs for municipalities to make improvements to their infrastructure projects, which could mean more engineering and construction jobs available.
