Ins 40.02 Acquisition of control of or merger with domestic insurer or divestiture of the shares of a domestic insurer. (1) FILING REQUIREMENTS. (a) Except as provided under par. (b), no person, other than the insurer, may:

1. Make a tender offer for, request or invitation for, tenders of, divestiture of, or enter into any agreement to exchange securities for, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if after the consummation of the offer, request, invitation, agreement or acquisition, the person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of the insurer; or

2. Enter into an agreement to merge with or otherwise to acquire or attempt to acquire control of a domestic insurer or any person having control of a domestic insurer.

(b) A person is not subject to par. (a), only if:

1. The person first files the information required under sub. (2) and, if applicable, the person files a pre-acquisition notification, which shall contain the information set forth in s. Ins 40.025 with the commissioner and sends a copy of the information to the domestic insurer; and

2. The offer, request, invitation, agreement or acquisition has been approved by the commissioner under ss. 611.72, 611.73, 612.21, 612.22, 613.72, or 614.73, and 617.21, Stats.

(c) Any controlling person of a domestic insurer seeking to divest its controlling interest in the domestic insurer, in any manner, shall file with the commissioner, with a copy to the insurer, confidential notice of its proposed divestiture at least 30 days prior to the cessation of control. The commissioner shall determine those instances in which the party or parties seeking to divest or to acquire a controlling interest in an insurer, will be required to file for and obtain approval of the transaction. The information shall remain confidential until the conclusion of the transaction unless the commissioner, in his or her discretion determines that confidential treatment will interfere with enforcement of this section. If the statement referred to in sub. (2) is otherwise filed, this paragraph shall not apply.

(d) For purposes of this section “domestic insurer” includes any person having control of a domestic insurer. This section does not apply to a person who is a securities broker holding, in the usual and customary securities broker’s function, less than 20% of the voting securities of an insurer or of any person which controls an insurer.

(2) CONTENT OF STATEMENT. Except as provided under sub. (5), a person required to file under sub. (1) shall file the following information, using form A in the appendix to this chapter, in a sworn statement:

(a) For each acquiring person:

1. The acquiring person’s name and address;

2. If the acquiring person is an individual, his or her principal occupation and all offices and positions held during the past 5 years, any conviction of crimes other than traffic violations not involving death or injury during the past 10 years and all relevant information regarding any occupational license or registration; and

3. If the acquiring person is not an individual, a report of the nature of its business operations during the past 5 years or for the lesser period that the acquiring person and any predecessors of the acquiring person have been in existence, if shorter, an informative description of the business intended to be done by the acquiring person and the acquiring person's subsidiaries, and a list of all individuals who are or who have been selected to become directors or executive officers of the acquiring person, or who perform or will perform functions similar to those positions. The list shall include for each individual the information required by subds. 1. and 2.

(b) The source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction from which funds were or are to be obtained for that purpose, including any pledge of the insurer's stock, or the stock of any of its subsidiaries or affiliates which control the insurer, the criteria used in determining the nature and amount of consideration and the identity of persons furnishing the consideration.

(c) Fully audited financial information as to the earnings and financial condition of each acquiring person for the preceding 5 fiscal years of each acquiring person or for the period the acquiring person and any predecessors of the acquiring person have been in existence, if shorter, and similar unaudited information as of a date not earlier than 90 days prior to the filing of the statement.

(d) Any plans or proposals which any acquiring person is considering to liquidate, to sell assets of, or to merge or consolidate the insurer or to make any other material change in the insurer's business or corporate structure or management.

(e) The number of shares of any security which each acquiring person proposes to acquire; the terms of the offer, request, invitation, agreement, or acquisition; and a statement as to the method by which the fairness of the proposal was determined.

(f) The amount of each class of any security which is beneficially owned or concerning which there is a right to acquire beneficial ownership by any acquiring person.

(g) A full description of any contracts, arrangements, or understandings with respect to any security in which any acquiring person is involved, including, but not limited to, transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. The description shall identify the persons with whom the contracts, arrangements or understandings have been entered into.

(h) A description of the purchase of any security of the entity to be acquired during the 12 calendar months preceding the filing of the statement by any acquiring person, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid.

(i) A description of any recommendations to purchase any security made during the 12 calendar months preceding the filing of the statement by any acquiring person, or by anyone at the suggestion of the acquiring person.

(j) Copies of all tender offers for, requests or invitations for, tenders of, exchange offers for, or agreements to acquire or exchange any securities, and, if distributed, of additional soliciting material relating to those offers, requests, invitations, or agreements.

(k) The term of any agreement, contract or understanding made with or proposed to be made with any broker-dealer as to solicitation of securities for tender, and the amount of any fees,

commissions or other compensation to be paid to broker-dealers relating to the solicitation.

(L) An agreement by the person required to file the statement referred to in sub. (1) that it will provide the annual report specified in s. Ins 40.03 (9) for so long as control exists.

(m) An acknowledgement by the person required to file the statement referred to in sub. (1) that the person and all subsidiaries within its control in the insurance holding company system will provide information to the commissioner upon request as necessary to evaluate enterprise risk to the insurer.

(2m) VIOLATIONS. Whenever it appears to the commissioner that any person has committed a violation of this chapter which prevents the full understanding of the enterprise risk to the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under summary orders in accordance with s. 645.21, Stats.

(3) PARTNERS AND STOCKHOLDERS. If the person required to file under sub. (1) is a partnership, limited partnership, syndicate, or other group, the commissioner may require that the information required under sub. (2) be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or group, and each person who controls the partner or member. If any partner, member, or person is a corporation or the person required to file under sub. (1) is a corporation, the commissioner may require that the information required under sub. (2) be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than 10% of the outstanding voting securities of the corporation.

(4) MATERIAL CHANGES. A person required to file under sub. (1) shall file an amendment to the filing if any material change occurs in the facts set forth in a statement previously filed with the commissioner. The person shall include in the amendment a description of the change and copies of all documents and other material relevant to the change. The amendment shall be filed with the commissioner and sent to the insurer within 2 business days after the person learns of the change.

(5) ALTERNATIVE FILING MATERIALS. If any offer, request, invitation, agreement, or acquisition is proposed to be made by means of a registration statement under the Securities Act of 1933 or in circumstances requiring the disclosure of information under the Securities Exchange Act of 1934, or under a state law requiring similar registration or disclosure, the person required to file information under sub. (1) may utilize those documents to furnish the information required to be filed under sub. (2).

(6) CONSOLIDATED HEARING. If an applicant requests a hearing on a consolidated basis under s. 611.72 or 611.73, Stats., and the commissioner approves a hearing on a consolidated basis, in addition to filing the form A with the commissioner, the applicant shall file a copy of form A with the National Association of Insurance Commissioners in electronic form.

Ins 40.025 Acquisitions Involving Insurers Not Otherwise Covered. (1) DEFINITION. In this section, "acquisition" means any agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, and includes the acquisition of voting securities and the acquisition of assets, bulk reinsurance, and mergers.

(2) SCOPE. This section shall apply to any acquisition in which there is a change in control of an insurer authorized to do business in this state, except for the following:

(a) A purchase of securities solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any

insurance market in this state. If a purchase of securities results in a presumption of control under s. 600.03 (13), Stats., it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and the disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state.

(b) The acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if pre-acquisition notification is filed with the commissioner in accordance with sub. (3) 30 days prior to the proposed effective date of the acquisition. However, such pre-acquisition notification is not required if the acquisition would be otherwise excluded under sub. (2).

(c) The acquisition of already affiliated persons.

(d) An acquisition if, as an immediate result of the acquisition any of the following apply:

1. In no market would the combined market share of the involved insurers exceed 5% of the total market, or
2. There would be no increase in any market share, or
3. In no market would the combined market share of the involved insurers exceed 12% of the total market and the market share would not increase by more than 2% of the total market. For the purpose of par. (d), a market means direct written insurance premium in this state for a line of business as contained in the annual statement required under s. Ins 50.20 (1).

(e) An acquisition for which a pre-acquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business.

(f) An acquisition of an insurer whose domiciliary commissioner affirmatively finds that the insurer is in failing condition; there is a lack of feasible alternative to improving such condition; the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and the findings are communicated by the domiciliary commissioner to the commissioner of this state.

(3) PRE-ACQUISITION NOTIFICATION. Any person seeking a merger or acquisition, that is not otherwise exempted under sub. (2) that results in a change of control of an insurer authorized to do business in this state shall file a pre-acquisition notification in a sworn statement using form E in the appendix to this chapter. The person being acquired may file the pre-acquisition notification.

(a) The commissioner may require such additional material and information as deemed necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of sub. (4). The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of such person indicating his or her ability to render an informed opinion.

(b) The waiting period required in this subsection shall begin on the date of receipt of the commissioner of a pre-acquisition notification and shall end on the earlier of the thirtieth day after the date of receipt, or termination of the waiting period by the commissioner. Prior to the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the thirtieth day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.

(4) COMPETITIVE STANDARD. (a) The commissioner may disapprove an acquisition if there is substantial evidence that the effect of the acquisition may be to substantially lessen competition in any line of insurance in this state or tend to create a monopoly or if the insurer fails to file adequate information in compliance with sub. (3). In this subsection, a highly concentrated

market is one in which the share of the 4 largest insurers is 75% or more of the market. Percentages not shown in the tables in this subsection are interpolated proportionately to the percentages that are shown. If more than 2 insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in this subsection. For the purpose of this item, the insurer with the largest share of the market shall be deemed to be Insurer A.

(b) In determining whether a proposed acquisition would violate the competitive standard of par. (a) of this subsection, the commissioner shall consider the following:

1. Any acquisition covered under sub. (2) involving 2 or more insurers competing in the same market is prima facie evidence of violation of the competitive standards if:

a. The market is highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
4%	4% or more
10%	2% or more
15% or more	1% or more

b. Or, the market is not highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
5%	5% or more
10%	4% or more
15%	3% or more
19% or more	1% or more

2. There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the 2 largest to the 8 largest, has increased by 7% or more of the market over a period of time extending from any base year 5 to 10 years prior to the acquisition up to the time of the acquisition. Any acquisition or merger covered under sub. (2) involving 2 or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in par. (a) of this subsection if:

a. There is a significant trend toward increased concentration in the market.

b. One of the insurers involved is one of the insurers in a grouping of large insurers showing the requisite increase in the market share; and

c. Another involved insurer's market is 2% or more.

3. For the purposes of this subsection:

a. The term "insurer" includes any company or group of companies under common management, ownership, or control;

b. The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state;

c. The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

4. Even if an acquisition is not prima facie violative of the competitive standard under par. (a), the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even if an acquisition is prima facie violative of the competitive standard under par. (a), a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination

under this subdivision include, but are not limited to, the following: market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry and exit into the market.

(c) The commissioner may approve the acquisition if the public benefits of the acquisition exceed the public benefits which would arise from not lessening competition.

History: CR 14-071; cr. Register August 2015 No. 716, eff. 9-1-15; s. 35.17 correction in (1), (4) (b) 2., 4. Register August 2015 No. 716.

Ins 40.03 Registration. (1) REGISTRATION. (a) Except as provided under par. (b), every insurer which is authorized to do business in this state and which is a member of an insurance holding company system, and every person having or attempting to acquire control of such an insurer, shall register with the commissioner.

(b) This subsection does not apply to a person, foreign insurer or alien insurer which is exempt from registration under s. 617.11 (2), Stats., unless otherwise ordered by the commissioner. An insurer may register on behalf of a person having or attempting to acquire control of the insurer or on behalf of an insurer which is an affiliate of the insurer. Lack of knowledge that an insurer has not registered on behalf of the person or affiliate or that the registration is incomplete or inaccurate is not a defense for the person or affiliate.

(2) TIME FOR FILING. Any person which is subject to registration under this section shall register within 15 days after it becomes subject to registration, and annually by June 1 of each subsequent year for the immediately preceding calendar year, unless the commissioner for good cause shown extends the time for registration, and then within the extended time.

(3) INFORMATION AND FORM REQUIRED. Every person subject to registration shall file the registration statement with the commissioner on the forms and in a format prescribed under s. Ins 40.15, and it shall contain the following information which is current on the date of filing:

(a) The capital structure, general financial condition, ownership, and management of the insurer and any person having control of the insurer;

(b) The identity and relationship of every member of the insurance holding company system except affiliates whose total assets are less than the lesser of .5% of the total assets of the ultimate controlling person or \$10 million;

(c) The following agreements in force, and transactions currently outstanding or which have occurred during the immediately preceding calendar year between the insurer and its affiliates:

1. Loans, extensions of credit, other investments, or purchases, sales or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;

2. Purchases, sales, or exchange of assets;

3. Transactions not in the ordinary course of business;

4. Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;

5. All management agreements, exclusive agent agreements, service contracts and all cost-sharing arrangements;

6. Reinsurance agreements;

7. Dividends and other distributions to shareholders; and

8. Consolidated tax allocation agreements.

(d) Any pledge of the insurer's stock, including stock of any subsidiary or affiliate having control of the insurer, for a loan made to any member of the insurance holding company system;

(e) If requested by the commissioner, the insurer shall include financial statements, as prepared in the ordinary course of its business, of or within an insurance holding company system, including all affiliates. Financial statements may include, but are not

limited to, annual audited financial statements filed with the U.S. Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended. An insurer required to file financial statements pursuant to this paragraph may satisfy the request by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the Securities and Exchange Commission;

(f) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the commissioner;

(g) Statements that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures;

(h) Any other information required by the commissioner by rule or regulation.

(4) SUMMARY OF CHANGES TO REGISTRATION STATEMENT. All registration statements shall contain a summary on form C contained in the appendix to this chapter outlining all items in the current registration statement representing changes from the prior registration statement.

(5) MATERIALITY. No information need be disclosed on the registration statement required under this section if the information is not material for the purposes of this section. Any transaction related to a management, exclusive agency or similar agreement or which is a service contract or cost-sharing arrangement is a material transaction. Any other transaction subject to sub. (3) is a material transaction if it involves or exposes to risk in a single transaction or group or series of related transactions an amount which is more than .5% of the insurer's admitted assets as of the 31st day of December of the immediately preceding calendar year, unless the commissioner by order provides otherwise.

(6) AFFILIATE TO PROVIDE INFORMATION. A person within an insurance holding company system which includes an insurer subject to registration shall provide to the insurer any information which is reasonably necessary to enable the insurer to comply with this chapter and ch. 617, Stats. The person shall provide complete and accurate information.

(7) CONSOLIDATED FILING. The commissioner may require or allow 2 or more insurers which are affiliates subject to registration to file a consolidated registration statement.

(8) DISCLAIMER. Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or a disclaimer may be filed by the insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the person and the insurer as well as the basis for disclaiming affiliation. A disclaimer of affiliation shall be deemed to have been granted unless the commissioner, within 30 days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed. In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party shall be relieved of its duty to register under this section if approval of the disclaimer has been granted by the commissioner, or if the disclaimer is deemed to have been approved.

(9) ENTERPRISE RISK FILING. (a) Except as provided in par. (c), the ultimate controlling person of every insurer subject to registration shall file an annual enterprise risk report on form F in the appendix of this chapter. The report shall, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that could pose enterprise risk to the insurer. The report shall be filed with the lead state commissioner of the insurance holding company system as determined by the procedures within the Financial Analysis Handbook adopted by the National Association of Insur-

ance Commissioners. The time for filing the first enterprise risk report shall be June 1, 2015, or 30 days after the effective date of this rule, whichever date is later. Thereafter, the enterprise risk report shall be filed annually by June 1 for the immediately preceding calendar year. An applicant for an acquisition of control of an insurer under s. Ins 40.02 shall file an enterprise risk report within 15 days after the end of the month in which the acquisition of control occurs.

(b) Sections 19.31 to 19.37, Stats., do not apply to an insurer's annual enterprise risk report or to any information submitted to the commissioner in connection with an insurer's annual enterprise risk report and the report shall not be subject to subpoena, discovery or be admissible in evidence in any private civil action. The commissioner shall only share an insurer's annual enterprise risk report, and any information requested by the commissioner in connection with an insurer's annual enterprise risk report, with commissioners of states having statutes or regulations substantially similar to this subsection and who have agreed in writing not to disclose such information.

(c) The commissioner may grant a waiver from the requirements in par. (a) if the ultimate controlling person demonstrates that compliance with par. (a) would impose an undue financial or organizational hardship on the ultimate controlling person. The commissioner may order an ultimate controlling person otherwise exempted under this paragraph to file an enterprise risk report if an insurer subject to registration is not in compliance with applicable risk-based capital or compulsory and security surplus requirements or is otherwise in hazardous condition as determined by the commissioner.

Ins 40.04 Standards for transactions within an insurance holding company system. (1) TRANSACTIONS WITHIN AN INSURANCE HOLDING COMPANY SYSTEM. An insurer, or affiliate of an insurer, which is required to register under s. Ins 40.03 may not enter directly or indirectly into a transaction between the insurer and the affiliate unless the insurer and affiliate:

(a) Comply with s. 617.21 (1), Stats., and sub. (6);

(b) Expenses incurred and payment received for the transaction are allocated to the insurer in conformity with customary insurance accounting practices consistently applied; and

(c) The books, accounts and records of each party to the transaction clearly and accurately disclose the nature and details of the transaction including the accounting information which is necessary to support the reasonableness of the charges or fees to the respective parties.

(2) TRANSACTIONS REQUIRED TO BE REPORTED AND SUBJECT TO DISAPPROVAL. A domestic insurer, and a person attempting to acquire control of a domestic insurer, or an affiliate of a domestic insurer, which directly or indirectly is involved in or benefits from, a transaction, shall report, under s. 617.21 (2), Stats., each of the following transactions, including amendments or modifications of transactions previously filed pursuant to this section, which are subject to any materiality standards contained in pars. (a) to (f), to the commissioner in writing at least 30 days before the domestic insurer enters into the transaction, unless the commissioner in writing approves a shorter period. The notice for amendments or modifications shall include the reasons for the change and the financial impact on the domestic insurer. Informal notice shall be reported to the commissioner within 30 days after termination of a previously filed agreement, if termination is other than according to the terms of the agreement as filed, and the commissioner shall determine the type of filing required, if any. Transactions required to be reported and subject to disapproval include each of the following:

(a) Sales, purchases, exchanges, loans, extensions of credit, guarantees, or investments involving the domestic insurer and an affiliate or a person attempting to acquire control of the domestic insurer if the transactions are equal to or exceed the lesser of 2% of the domestic insurer's admitted assets or 10% of policyholder surplus as of the 31st day of December of the immediately preceding calendar year. All guarantees which are unlimited or not quantifiable as to amount are subject to the reporting requirements of this subsection;

(b) Loans or extensions of credit or guarantees to any person who is not an affiliate, where the domestic insurer makes loans, extensions of credit or guarantees with the agreement or understanding that the proceeds of the transactions or benefit of the guarantees, in whole or in significant part, directly or indirectly, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the domestic insurer making the loans, extensions of credit, or guarantee, or any person attempting to acquire control of the insurer, if the transactions are equal to or exceed the lesser of 2% of the domestic insurer's admitted assets or 10% of policyholder surplus as of the 31st day of December of the immediately preceding calendar year. All guarantees which are unlimited or not quantifiable as to amount are subject to the reporting requirements of this subsection;

(c) Reinsurance agreements, including reinsurance pooling arrangements, or modifications to reinsurance agreements, which involve a domestic insurer and either an affiliate or a person attempting to acquire control of the domestic insurer in which the reinsurance premium, the projected reinsurance premium or a change in the insurer's liabilities in any of the next three years equals or exceeds 5% of the insurer's policyholder surplus, as of the 31st day of December of the immediately preceding calendar year, including, but not limited to, those agreements which may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one or more affiliates of the insurer;

(d) All management agreements, exclusive agency agreements, service contracts, tax allocation agreements, or cost-sharing arrangements which involve a domestic insurer and either an affiliate or a person attempting to acquire control of the domestic insurer. All agreements under this paragraph entered into after the effective date of this rule shall, at a minimum and as applicable, contain all of the following:

1. Identify the person providing services and the nature of such services.

2. Set forth the methods to allocate costs.

3. Require timely settlement, not less frequently than on a quarterly basis, and compliance with the requirements in the Accounting Practices and Procedures Manual.

4. Prohibit advancement of funds by the insurer to the affiliate except to pay for services defined in the agreement. This subdivision does not prohibit loans or capital transactions that involve a domestic insurer and an affiliate that are otherwise permitted by statute or rule.

9. Include standards for termination of the agreement with and without cause.

10. Include provisions for indemnification of the insurer in the event of gross negligence or willful misconduct on the part of the affiliate providing the services.

11. Specify that, if the insurer is placed in delinquency proceedings or seized by the commissioner under ch. 645., Stats.:

a. All of the rights of the insurer under the agreement extend to the receiver or commissioner.

b. All books and records will immediately be made available to the receiver or the commissioner, and shall be turned over to the receiver or commissioner immediately upon the receiver or the commissioner's request.

12. Specify that the affiliate has no automatic right to terminate the agreement if the insurer is placed in receivership pursuant to ch. 645, Stats.

(e) A transaction not in the ordinary course of business which involves a domestic insurer and either an affiliate of, or a person attempting to acquire control of, a domestic insurer and which involves or exposes to risk an amount equal to or exceeding the lesser of 2% of the domestic insurer's admitted assets or 10% of policyholder surplus as of the 31st day of December of the immediately preceding calendar year; and

(f) Any material transactions which the commissioner requires to be reported by order.

(3) ILLEGAL TRANSACTIONS NOT AUTHORIZED. This section does not authorize or permit any transaction which would be otherwise contrary to law.

(4) GROUP OR SERIES OF RELATED TRANSACTIONS. For the purpose of applying sub. (2), a group or series of related transactions shall be treated as if they are a single transaction.

(5) SUBTERFUGE PROHIBITED. A domestic insurer, person attempting to acquire control of a domestic insurer, person having control of a domestic insurer or affiliate of a domestic insurer may not enter into transactions which are part of a group or series of transactions if the purpose of those separate transactions is to attempt to avoid a threshold amount under this chapter.

(6) DISAPPROVAL. Transactions subject to reporting under sub. (2) may be disapproved by the commissioner under s. 617.21 (3), Stats. No person may enter into or assent to a transaction that is disapproved by the commissioner or which is subject to reporting under sub. (2) but not reported.

(7) INSURER MAY REPORT ON BEHALF OF AFFILIATE OR PERSON ATTEMPTING TO ACQUIRE CONTROL. A domestic insurer may file a report under sub. (2) on behalf of its affiliate or of the person attempting to acquire control of the insurer. Lack of knowledge that an insurer has not reported on behalf of the affiliate or person or that the report is incomplete or inaccurate is not a defense for the affiliate or person attempting to acquire control of the insurer.
