**RANDOM SELECTION AGREEMENT**

The private school agrees to accept pupils into the program and conduct a random selection, if required, in accordance with the following:

- The school shall accept all program applications only during the open application periods. The open application periods are from July 1- July 20, August 1-August 22, September 1-7, October 1-21, November 1-21, and December 1-20.
- A student application for the program is considered complete only if all of the following are received by the school during an open application period: (a) a completed SNSP student application; (b) open enrollment application denial letter, (c) appeal decision (if any), (d) individualized education program or services plan, and (e) proof of residence in the state of Wisconsin.
- The school, upon receipt of the student's application, shall notify the applicant of the space available, the dates of the open application period, and the date and location of a random drawing for acceptance if more applications are submitted than there are spaces available. The school shall also notify the applicant that they do not have to be present at the random drawing, and that they will be notified in writing following the random drawing of their acceptance or non-acceptance status.
- After the close of the open application period, if the number of eligible applications exceeds the space available, the school will hold a random drawing to determine which applicants are accepted. The random drawing, if necessary, shall be held within one week of the end of the application period and prior to the count date.
- At the random drawing, all eligible applications submitted during the open application period shall have an equal chance of being drawn, with the following exception: the private school may give preference to siblings of pupils currently attending the school.
- The random drawing shall continue until all available spaces are filled and a waiting list order is determined. The waiting list shall be used in the event a previously filled spot becomes available.
- The school shall send written notification to the parent informing the applicant if they were accepted into the program or their number on the waiting list. If the school rejects a student application, the notification of nonacceptance must include the reason why the pupil was not accepted.
- Applicants accepted into the special needs scholarship program shall have a reasonable period of time to confirm enrollment.
- Applicants on the waiting list are not carried over to the next school year. Therefore, applicants who were not accepted into the program at the school for this school year and wish to apply to the program for the next school year must submit a new application.
