A license is not transferable between persons or animal markets.

(1m) LICENSE EXEMPTIONS. No license is required under sub. (1) for an occasional sale by a farm operator who buys or exchanges livestock solely for dairy, breeding, or feeding operations on that farm, or who sells only livestock produced or raised

on that farm, or auction sale, conducted at a state, county, or district fair, or sponsored by a livestock breeder association or a youth agricultural organization, if records of the transactions at the sale are maintained by any of the following:

- (a) An auctioneer registered under ch. 480, Stats.
- (b) An animal dealer licensed under s. ATCP 12.03.

(2) LICENSE CLASSIFICATION. (a) A person may apply for a Class A, Class B, or Class E animal market license.

(b) At a class A animal market, an operator may conduct livestock and wild animal sales and auctions on any number of days during the license year.

Note: An animal market operator must register animal transport vehicles under s. ATCP 12.045, regardless of whether the animal market operator needs an animal trucker license under s. ATCP 12.04. An animal market operator needs an animal trucker license if the animal market operator transports livestock or wild animals for others, for hire.

(f) The fees required under sub. (4) and, if applicable, ss. ATCP 12.04 (4) and 12.045 (3).

(fm) Additional information, if any, required under s. ATCP 17.02 (4) for purposes of livestock premises registration.

(d) Payment of a surcharge under par. (b) or fees under par. (c) does not relieve an animal market operator of other civil or criminal liability that may result from a violation of sub. (1) or (2) (c) or (d), nor does it constitute evidence of a violation of sub. (1) or (2) (c) or (d).
