Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)	
Illinois collects similar Tax Incremental Finance (TIF) reports. Reporting requirements are outlined in administrative code.	
However, the code does not specify format beyond the requirement to "transmit". Iowa collects TIF information. The	
administrative code does not include requirements for the collection. Michigan statutes provide TIF reporting, however,	

administrative code does not include requirements for the collection. Michigan statutes provide TIF reporting, however, there is minimal specificity and no related administrative code. Minnesota statutes require each county to e-mail an annual report that includes breakdowns by TIF district and municipality. The law and administrative code does not specify the reporting format beyond the requirement to "email".
