ANALYSIS

Statutes interpreted: ss. 15.08 (5) (b), and 457.20(3), Stats.

Statutory authority: ss. 15.08 (5) (b), and 440.071 (1), Stats.

Explanation of agency authority:

The board shall promulgate rules for its own guidance and for the guidance of the profession and define and enforce professional conduct and unethical practices not inconsistent with the law relating to pharmacy. s. 15.08 (5) (b), Stats.

The board may not require a person to complete any postsecondary education or other program before the person is eligible to take an examination for a credential the board grants or issues. s. 440.071 (1), Stats.

Related statute or rule: N/A

Plain language analysis:

Section 1 and 2 repeals the current rule-making procedure and creates a new procedure. The rules committee is deemed by the board to be obsolete. The Sections of the Board will still propose and draft the rules applying to individual professions and hold the public hearings while the Board will draft rules and hold public hearings for the matters the board deems as a joint interest.

Section 3 rennumbers MPSW 1.04 to MPSW 1.04 to reflect there is no other subunit of that rule section.

Section 4 repeals the provisions requiring all application requirements prior to sitting for the examination. 2013 Act 113 prohibits a board from requiring the education be completed prior to the taking the examination. This section removes the requirement of education be completed prior to taking the examination. In addition, this section removes the obsolete requirement that all application materials be submitted 60 days prior to the examination.
