Explanation of agency authority:

Section 15.08 (5) (b), Stats., provides that examining boards, such as the Chiropractic Examining Board, “shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains . . .”

Section 227.11 (2) (a), Stats., sets forth the parameters of an agency’s rule-making authority, stating an agency “may promulgate rules interpreting provisions of any statute enforced or administered by the agency. . .but a rule is not valid if the rule exceeds the bounds of correct interpretation.”

Section 446.02 (3), Stats., provides the Chiropractic Examining Board shall require each applicant for licensure to successfully complete the following examinations:

- Parts I, II, III, and IV of the examination administered by the National Board of Chiropractic Examiners. An applicant successfully completes Part III of that examination if the applicant scores at least 438 on that part. An applicant successfully completes Part IV of that examination if the applicant scores at least 475 on that part.
- An examination approved by the examining board that tests the applicant's knowledge of the laws of this state relating to the practice of chiropractic, including the provisions of this chapter and any rules promulgated by the examining board under s. 446.02, Stats.

Related statute or rule:

None.

Plain language analysis:

Section Chir 2.03 incorrectly references chs. Chir 1 to 12. The proposed rules update this reference to chs. Chir 1 to 13.

The proposed rules also revise ch. Chir 2 to reflect current examination practices. Specifically, ss. Chir 2.01 and 2.12, which relate to a practical examination that is no longer required for licensure, are repealed and a requirement to provide an applicant with a disability reasonable accommodations for completing the state law examination has been added to s. Chir 2.03.
