Dear Representative Vos, Senator Roth, and Attorney Grosz,

A statement of scope to revise Wis. Admin. Code ch. PI 11, relating to standards for significant disproportionality and LEA determinations, was published in Register No. 739B under SS 068-17 on July 31, 2017, and approved by State Superintendent Tony Evers on August 10, 2017. Accordingly, the Department submitted a proposed rule, Clearinghouse Rule 18-004, to the Legislative Council Rules Clearinghouse on January 11, 2018.

The Department will not be moving forward with revisions to Wis. Admin. Code ch. PI 11 under SS 068-17. Therefore, pursuant to the procedures under Wis. Stat. s. 227.14 (6) (b), the Department hereby provides notice of its decision to withdraw SS 068-17 and withdraw Clearinghouse Rule 18-004.

Please contact Dee Pettack at (608) 267-1063 if you have any questions.

Sincerely,

Carl Bryan  
Administrative Rules Coordinator  
Department of Public Instruction
