Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

Small Businesses

This rule makes minor or technical changes that will have no effect upon small businesses.

Utility Rate Payers

The rule will have no impact on utility rate payers.

Local Governments

This rule will not impact local governments. Local governments will not have any implementation or compliance cost.

General Public

This rule makes minor or technical changes to the existing rules identified above. The proposed rule will not have any economic impact on the general public or the State's economy different from the impact of the existing rules that are proposed to be amended.

Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule**Benefits**

This rule will benefit the public and various business sectors, as described above, by making technical changes to existing rules.

General Public

The general public and consumers will benefit from the technical changes in this rule through the clarification and updating of existing rules.

Alternatives

This rule makes necessary technical changes in existing rules. If the Department does not make the proposed technical changes, there will continue to be outdated provisions in existing regulations, inconsistencies between regulations and referenced documents, and certain regulations will lack necessary clarity.

Long Range Implications of Implementing the Rule

Long-term, implementing the rule will benefit businesses and the general public for the reasons stated above.

Compare With Approaches Being Used by Federal Government

The technical changes are proposed to ensure that the specified existing Department rules remain consistent with federal statutes and regulations.

Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

The housekeeping and technical rule changes proposed in this rule will not create any disparities between Wisconsin and the adjacent states.
