**NOTICE ABOUT LIABILITY FOR DAMAGE TO THE RENTAL CAR**

The State of Wisconsin requires us to provide the following information about your liability for damage to a rental car and the purchase of a damage waiver.

**LIABILITY FOR DAMAGE TO THE RENTAL CAR**

The rental agreement makes you and any authorized driver liable for any damage to the rental car caused by an accident, or by intentional, reckless or wanton misconduct, or by theft that you may have intentionally caused. Total liability for any damage is limited to:

- 1) reasonable repair costs, less discounts available to us, or the fair market value of the car, whichever is less, and
- 2) actual and reasonable towing costs, and for storage costs during the period before you notify the rental company of the damage to the vehicle or for 14 days after the damage occurs, whichever period is shorter.

**LIABILITY FOR DAMAGE AFTER THE RENTAL CAR HAS BEEN STOLEN**

If a person who drives the rental car without your authorization causes damage to the car, you may be liable for the damage as though you or an authorized person was driving the car unless you do all of the following:

- 1) Refrain from leaving the ignition key in the car when you are not in the car.
- 2) Always keep the ignition key in your possession.
- 3) Immediately report to the local police if you learn the car has been stolen, or that an unauthorized person is driving the car.
- 4) Cooperate fully with the local police by providing any information you know that may be helpful.

**INSURANCE OR CREDIT CARD COVERAGE**

Liability for any damage may be covered by your personal insurance policy or credit card agreement. Check your insurance policy or credit card agreement about coverage.

**DAMAGE WAIVER COVERAGE**

A damage waiver is **not** insurance coverage. If you purchase a damage waiver for per day, we will waive our right to hold you or any authorized driver liable for damage. Even if you buy a damage waiver, you and any authorized driver will remain liable for damage if any of the following apply: -

**NOTICE OF RIGHT TO INSPECT DAMAGE**

If the car is damaged, we may not collect any amount for the damage unless you, or an authorized driver against whom we claim liability, have been promptly notified of your and your insurers' right to inspect the unrepaired car within two working days after we were notified of the damage. If you

request, we must also give you a copy of any estimate we have obtained from a repair shop regarding any damage claim. Within 2 working days after receiving that estimate, you may request a second estimate from a competing repair shop and we must give you a copy of the second estimate.
