ATCP 17.02 Livestock premises; registration required. (1) **GENERAL.** (a) Except as provided in par. (b), a person may not keep livestock at a location in this state unless that location is registered under this section. There is no fee to register. A registration expires every third July 31 after July 31, 2013.

Note: Once a person completes an initial registration, subsequent registrations will be relatively simple. The department will send the registrant a renewal application form (or directions on how to renew on-line) prior to the renewal deadline. The renewal transaction may be conducted by mail, online, or by e-mail if an e-mail address has been provided. The renewal application form will include pre-printed information obtained from the last previous registration. The registrant may renew the registration by returning the pre-printed form with corrections, if any. There is no fee for an initial or renewal registration.

(b) An individual may keep livestock at a location in this state without registering the location under par. (a), provided all of the following apply:

1. The individual files with the department an affidavit swearing or affirming that the individual is a member of, and follows, an established religion whose tenets and teachings include a sincerely held religious belief opposing registration of a livestock premises as required by s. 95.51 (2), Stats.
2. The individual provides the name and requested contact information of a religious leader who can verify that the religion’s tenets and teachings oppose registering a livestock premises.
3. The individual files the information required under par. (c).
4. If additional livestock types are obtained, the individual agrees to contact the department within 7 days to state what livestock are being kept.

(c) In addition to the requirements under par. (b), an individual shall file with the department, on a form provided by the department, all the following information:

1. The individual’s complete name and spouse’s complete name, if married.
2. The individual’s mailing address.
3. The address where livestock are kept, if different than the mailing address.

Note: A person may obtain a form from the department using the information below:

Wisconsin Department of Agriculture, Trade and Consumer Protection
2811 Agriculture Drive
P.O. Box 8911
Madison, WI 53702–8911
Phone: (608) 224–4872

(2) **WHO MUST REGISTER.** (a) If 2 or more persons are involved in keeping livestock at the same location, one of those persons shall register that location. A person is not required to register a location that is currently registered by another person. A premises registration by one person does not prevent other persons from keeping livestock on the registered premises.

Note: For example, if *Person A* feeds and cares for livestock owned by *Person B*, on premises owned by *Person C*, any one of those persons may register the premises (the others need not). Likewise, if *Person X* pastures livestock on land that *Person Y* owns and also uses to pasture livestock, either person may register that pasture (the other need not).

(b) A person may not register a premises that is currently registered by another person. The department may transfer a current registration from the current registrant to another person if the department finds that the other person is licensed to operate the premises under other applicable law, is more directly engaged in operating the premises, or can provide more definitive knowledge of livestock movements to and from the premises. The department shall notify the current registrant and give the current registrant a chance to comment before transferring a registration to another person.

(c) If a person keeps livestock at any location as part of an operation for which that person is required to hold another license, registration or permit from the department, that person may register that location as part of the person’s initial application for that other license, registration or permit.

Note: For example, if a person holds or is required to hold a dairy farm license under s. ATCP 65.02 (a), a deer farm registration under s. ATCP 10.46 (1), a fish farm registration under s. ATCP 10.61 (1), an animal market license under s. ATCP 12.02, an animal dealer license under s. ATCP 12.03, an animal trucker license under s. ATCP 12.04, a meat establishment license under s. ATCP 55.03 (1), an equine quarantine station permit under s. ATCP 10.37 (3), or a rendering establishment or other license under s. 95.72, Stats., that person may register each related livestock premises location as part of the person’s initial application for that other license, registration, or permit. Subsequent license renewal applications must include the livestock premises registration number assigned under this chapter.

(3) **HOW TO REGISTER.** Except as provided in sub. (2) (c), a person shall register in one of the following ways:

- (a) By applying on-line at <http://www.datcp.state.wi.us/>.
- (b) By filing a hard-copy application with the department on a form provided by the department.

Note: A person may obtain an application form from the department using the information below and may submit the completed form to the department at the following address:

Wisconsin Department of Agriculture, Trade and Consumer Protection

PO Box 8911
Madison, WI 53708–8911
Phone: (608) 224–4872

(4) **INFORMATION REQUIRED.** A registration application under sub. (3) shall include all of the following information:

- (a) The registrant’s legal name, and any trade names under which the registrant keeps livestock in this state.

- (b) The registrant's mailing address.
- (bm) The registrant's county.
- (c) The registrant's telephone number.
- (d) The address of the primary premises location, including county.

Note: See s. ATCP 17.01 (1). A street address is preferred.

(e) A description of each secondary location included in the premises. A person may not register more than 3 secondary locations under a single premises code without department approval. The department may consider whether the secondary locations are part of the same premises, for registration purposes, or whether they should be registered as separate premises under separate premises codes.

Note: See s. ATCP 17.01 (18) and (35). Secondary locations are locations that share or commingle animals with the primary location, and are related to the primary location. For example, a dairy farm "premises" may include a primary location (that includes the milking barn or parlor) and one or more secondary locations (such as non-contiguous pastures or heifer facilities).

If a person keeps livestock at multiple locations but never moves or commingles livestock between those locations, the person should register the locations as separate premises (separate primary locations, each with its own premises code).

(f) The name and telephone number of at least one individual who has knowledge of livestock and livestock carcass movements to and from every location included in the premises.

(g) The types of livestock operations conducted on the premises. The registrant shall designate one or more of the following:

2. Market or livestock collection point.
3. Slaughter establishment.
4. Rendering or carcass collection point.
5. Clinic.
6. Livestock exhibition.
7. Quarantine facility.
8. Other. The registrant shall specify the type or types of operations.

(h) The types of livestock or livestock carcasses kept on the premises. The registrant shall designate one or more of the following:

1. Bovine animals. The registrant shall indicate whether the bovine animals are beef cattle, dairy cattle, or bison.
2. Swine.
3. Sheep.
4. Goats.
5. Horses or other equine animals.
6. Farm-raised deer.
7. Poultry.
8. Llamas, alpacas, or other camelids.
9. Fish.
10. Other. The registrant shall specify the type or types of livestock.

(5) DEPARTMENT ACTION ON REGISTRATION APPLICATION. (a) Except as provided in par. (d), the department shall grant or deny a registration application under sub. (3) within 30 days after the department receives a complete registration application.

Note: The department will normally grant or deny an on-line application at the time of the on-line application. If the department grants an on-line application, the department will immediately issue a printable electronic registration certificate to the applicant.

(b) The department may deny a registration application if the application is incorrect or incomplete, or if the primary location identified in the application is currently registered. The department shall state the reason for the denial.

(c) If the department denies an application because the primary location identified in the application is already registered, the department shall disclose to the applicant the premises code assigned to that registered primary location. The denial does not

prevent the applicant from keeping livestock at the registered primary location or from registering other locations.

(d) If a person submits a registration application under sub. (2) (c) as part of that person's application for another license, permit, or registration, the department shall grant or deny the registration application within the time period prescribed for department action on the other license, permit, or registration application. The denial, suspension, or revocation of another license, permit or registration does not affect a premises registration under this section.

(6) REGISTRATION CERTIFICATE. (a) Whenever the department grants a registration application under sub. (3), the department shall immediately issue a registration certificate to the registrant. The registration certificate shall bear an expiration date that complies with sub. (1). The department shall issue the registration certificate in hard-copy or printable electronic form, depending on the method of registration.

Note: A person who registers on-line will normally receive a printable electronic registration certificate at the time of the on-line registration.

(b) A registration certificate under par. (a) shall include a premises code assigned under sub. (7).

(c) A registration certificate covers the primary location and all secondary locations identified in the approved registration application, regardless of whether the certificate includes descriptions of all of those locations.

(d) If a person submits a premises registration application as part of that person's application for another license, permit, or registration identified in sub. (2) (c), the department shall issue the premises registration certificate with or as part of that other license, permit, or registration.

(7) PREMISES CODE. Whenever the department grants a registration application under sub. (3), the department shall assign a unique code to the primary location identified in that application. The premises code shall be generated by the United States department of agriculture. A premises code may not be transferred to another location.

Note: A premises code, once assigned to a primary location, normally continues with that location even if the registrant changes. If a registrant adds or removes a secondary location without changing the primary location, the premises code will remain the same. But if the primary premises location is subdivided among new registrants, the premises code assigned to that location will be retired and a new premises code will be assigned to each new primary location created by the subdivision.

ATCP 17.03 Confidential information. (1) GENERAL. Except as provided in subs. (2) to (4), premises registration information received by the department or its contract agent under s. ATCP 17.02 is confidential and may not be disclosed to any other person or agency.

Note: A premises code is not confidential because it is not received from the registrant but is issued by the department. A premises code, by itself, does not reveal any information received from a registrant.

(2) INFORMATION REQUIRED BY OTHER LAWS. Subsection (1) does not apply to information that a person is required to provide to the department under other law. This subsection does not authorize disclosure of information that is protected from disclosure under other law.

Note: For example, information that was required of license holders and was open to public inspection prior to the effective date of the livestock premises registration law, s. 95.51, Stats., remains open to public inspection. But premises registration information required for the first time under s. 95.51, Stats., or this chapter must be kept confidential.

(3) AUTHORIZED DISCLOSURE. The department may disclose, to any of the following, information that a registrant provides under s. ATCP 17.02:

- (a) A person to whom the registrant authorizes disclosure.
- (b) The animal and plant health inspection service of the United States department of agriculture, if the animal and plant health inspection service agrees not to disclose the information

except in situations in which the department is authorized to disclose the information.

(c) The department's contract agent, subject to this section and s. ATCP 17.04.

(d) To another person or agency, or to the public, if the department believes that the release is necessary to prevent or control disease, to enforce laws under its jurisdiction, or to protect public health, safety, or welfare. The department may disclose information under this paragraph subject to any confidentiality requirements that the department considers necessary under the circumstances.

(4) AGGREGATE INFORMATION. (a) The department may create aggregate information, such as maps and statistics, from registration information obtained under s. ATCP 17.02. Except as provided in par. (b), the department may disclose that aggregate information to another person or agency, or to the public.

(b) The department may not disclose aggregate information under par. (a) that does any of the following, unless that information qualifies for disclosure under sub. (2) or (3):

1. Discloses the street address, section number, geographic coordinates of any premises, or the identity of any registrant.

2. Makes it possible to deduce with certainty the street address, section number, or geographic coordinates of any premises, or the identity of any registrant.

Note: For example, the department may not disclose a detailed map that permits readers to deduce with certainty the street address, section number, or geographic coordinates of any premises, or the identities of registrants whose premises are portrayed by points on the map. However, the department may disclose less detailed maps.

(5) DISCLOSURE BY CONTRACT AGENT. The department may authorize its contract agent to disclose, on behalf of the department, information that the department is authorized to disclose under this section, except that the department may not authorize its contract agent to release aggregate information.

History: CR 04–103; cr. Register September 2005 No. 597, eff. 10–1–05; CR 06–028; am. (4) (b) Register November 2006 No. 611, eff. 12–1–06.

ATCP 17.04 Contract agent. (1) GENERAL. The department may contract with an agent to process registrations, manage registration information, and perform other functions on behalf of the department under this chapter. The contract agent shall comply with this chapter and the contract.

(2) CONTRACT. A contract under sub. (1) shall specify applicable terms and conditions, including all of the following:

(a) The services that the contract agent will perform for the department, and the price for which the contract agent will perform those services.

(b) The scope of authority that the department delegates to the contract agent for the purpose of performing the services under par. (a), and relevant limits on that authority.

(c) The registration process and forms approved under sub. (3), if the contract agent will process registrations on behalf of the department.

(d) Terms related to information disclosure and confidentiality, including the terms specified in sub. (4).

(e) Terms related to information management, including the terms specified in sub. (5).

(f) Terms related to contract agent actions that may affect or impair the administration of this chapter, including the terms specified in subs. (6) to (8).

(g) Provisions related to contract termination, including the terms specified in sub. (9).

(h) Standard contract terms required by the state of Wisconsin.

(3) APPROVED REGISTRATION PROCESS. A contract agent that processes livestock premises registrations on behalf of the department, whether in hard-copy or on-line form, shall use a process and forms approved by the department. The hard-copy or on-line registration process shall be conducted under the name of the department, not the contract agent. The contract agent may not

supplement or modify the registration process or forms, or charge any registration fee, without the department's written approval. The contract agent may not make solicitations or promotional communications to registrants in connection with the registration process, other than communications that the department requires for purposes of registration under this chapter.

(4) DISCLOSURE OF INFORMATION; CONFIDENTIALITY. (a) A contract agent may not use or disclose any information that it acquires as the department's contract agent under this chapter without the department's written approval.

(b) A contract agent shall specifically identify the individuals who, on behalf of the contract agent, may have access to confidential information. Each of those individuals shall sign a personal confidentiality agreement with the department and shall comply with that agreement. No other persons employed or affiliated with the contract agent may have access to confidential information.

(c) No contract agent or individual affiliated with a contract agent may use or disclose information in violation of this chapter, the agency contract, or an individual confidentiality agreement under par. (b).

(5) MANAGING INFORMATION. A contract agent that holds information under this chapter on behalf of the department shall do all of the following:

(a) Comply with applicable state standards related to the storage, handling, and disposition of state records. A contract agent may not dispose of information collected or held under this chapter, except as authorized by the department pursuant to a state records disposal authorization under s. 16.61, Stats.

(b) Handle and maintain electronic records according to applicable standards in ch. Adm 12.

(6) COLLECTING OTHER INFORMATION. (a) A contract agent may not collect any information under color of its agency agreement with the department, without the department's written authorization to collect that information.

(b) Paragraph (a) does not prohibit a contract agent from doing any of the following on its own behalf, and not as an agent of the department:

1. Contacting registrants that it identifies from sources other than registrations under this chapter.

2. Soliciting and receiving information voluntarily provided by registrants that the contract agent identifies under subd. 1. The contract agent shall disclose, to each registrant from whom it requests information, that the information is not required by state law and is not being collected on behalf of the department.

(c) A contract agent who collects information under par. (b) shall keep that information separate from any confidential information that the contract agent keeps on behalf of the department.

(7) PROHIBITED PRACTICES. A contract agent may not do any of the following:

(a) Under color of its agency contract with the department, and without the department's written authorization, ask a registrant for permission to use or release confidential information.

(b) Represent, directly or by implication, that it is acting within its authority as the department's contract agent unless that representation is true.

(8) ETHICS. (a) A contract agent shall avoid any conflict of interest that may affect the integrity of the livestock premises registration program under this chapter, or the contract agent's faithful performance of its obligations. The contract agent shall disclose to the department any actual or potential conflict of interest.

(b) A contract agent may not use for private financial or business advantage confidential information that it acquires under this chapter as an agent of the department.

(c) No individual having access to confidential information under this chapter may use that information for personal financial advantage or for the financial advantage of any person or organization with which he or she is affiliated.

(9) CONTRACT TERMINATION. (a) The department may terminate a contract under sub. (1) at any time, with or without cause.

(b) If a contract under sub. (1) expires or is terminated by either party, the contract agent shall promptly return to the department all of the information that the contract agent holds on behalf of the department.

ATCP 17.05 Receiving livestock from unregistered locations. **(1) PROHIBITION.** Except as provided in sub. (2), no person may receive, for purposes of sale, exhibition, or slaughter, livestock from a location that is required to be registered under s.

ATCP 17.02 or an equivalent law in another state, unless that location is registered according to this chapter or an equivalent law in the other state.

(2) APPLICATION CONTINGENT UPON RECIPROCITY. Subsection (1) does not apply to any person, or to any receipt of livestock for a purpose identified in sub. (1), unless the United States department of agriculture or all of the states surrounding Wisconsin prohibit persons in those surrounding states from receiving livestock for that purpose from unregistered locations in this state that are required to be registered under s.
