

PUBLIC NOTICE
Department of Health Services
(Medicaid Reimbursement for
Disposable Medical Supplies and Durable Medical Equipment)

The State of Wisconsin reimburses providers for services provided to Medical Assistance recipients under the authority of Title XIX of the Social Security Act and ss. 49.43 to 49.47, Wisconsin Statutes. This program, administered by the State's Department of Health Services (the Department), is called Medical Assistance (MA) or Medicaid. In addition, Wisconsin has expanded this program to create the BadgerCare Plus programs under the authority of Title XIX and Title XXI of the Social Security Act and s. 49.471 of the Wisconsin Statutes. Federal statutes and regulations require that a state plan be developed that provides the methods and standards for reimbursement of covered services. A plan that describes the reimbursement system for the services (methods and standards for reimbursement) is now in effect.

Change in Payment Methods

To comply with Section 503 of the federal Consolidated Appropriations Act and Section 5002 of the federal 21st Century Cures Act, the Department is proposing changes in the methods of payment and payment rates for certain disposable medical supplies and durable medical equipment identified in the federal Acts.

This is a renotification of changes affecting disposable medical supplies and durable medical equipment. The original was published on September 24, 2018. The effective date has changed. The current intended effective date is January 1, 2019 and will apply to claims with dates of service on or after that date. The change to Medicaid, BadgerCare, and BadgerCare Plus is projected to result in reduced annual expenditures of \$3.9 million all funds (AF), composed of \$2.6 million federal match (FED) and \$1.3 million state funds/general purpose revenue (GPR), effective January 1, 2019.
