Initial Regulatory Flexibility Analysis:

There are significant economic impacts associated with the passage of Act 358 in April 2016; the proposed changes to ch. NR 46, Wis. Adm. Code, will not discuss these impacts. Here, only the economic impacts resulting from the DNR's implementation discretion to add requirements through the rule process or clarify statutory provisions is evaluated. It is anticipated that the proposed changes to ch. NR 46, Wis. Adm. Code, will have minimal to moderate economic impacts and will not have an impact on small businesses.
