16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

**Illinois:** Rules of the Illinois Department of Financial and Professional Regulation relating to chiropractic physician preceptorship were repealed effective February 15, 2000. (68 Ill. Adm. Code 1285.105, repealed at 24 Ill. Reg. 3620).

**Iowa:** Rules of the Iowa Board of Chiropractic administer chiropractic preceptorship programs (645 IAC 42.1 to 42.6). A program is established by a Board-approved chiropractic college and allows a chiropractic intern or resident from the college to practice under the supervision of a chiropractic preceptor (a chiropractic physician licensed and practicing in Iowa). The rules specify the criteria for Board approval of chiropractic colleges, preceptorship programs, and chiropractic preceptors, and the conditions under which a preceptorship program must be terminated.

**Michigan:** Michigan statutes permit a chiropractic student to apply for a limited license to engage in the practice of chiropractic under the supervision of a licensed chiropractor (MCL 333.16412). The applicant must have successfully completed 2 years of education in a college of arts and sciences and 2 years, 4 semesters, or 6 quarter terms in a chiropractic college approved by the Michigan Board of Chiropractic. The limited license is valid for not more than 6 months and is nonrenewable.

**Minnesota:** Rules of the Minnesota Board of Chiropractic Examiners administer graduate preceptorship programs (Minnesota Rules, parts 2500.2500 to 2500.2530). A program allows an extern (a graduate of an accredited chiropractic college) to work under the supervision of a preceptor (a chiropractic physician licensed and in active private practice in Minnesota) for a period of up to 12 months. The rules specify the role of the preceptor, the eligibility and responsibilities of the preceptor and the extern, the minimum requirements of a preceptorship training program, and the conditions under which a preceptorship program must be terminated.
