RE: Inserted and Removed Chapters in 761B Register

The 761B Register, issued May 28, 2019 erroneously included Chapter DWD 130 in the list of inserted chapters. Because DWD 130 was repealed by CR 18-033, DWD 130 should be removed and should not be reinserted. The 761B Register has been republished to reflect the correction.
