

Correction Notice

On June 7, 2019, the Department of Natural Resources submitted documents related to CR 19-078 for publication in the administrative register. The incorrect draft of the rule text was sent to the Legislative Reference Bureau for publication at that time. Following this error, the Legislative Reference Bureau republished register 762A3 to include the corrected rule text. The corrected rule text for CR 19-078 can be viewed at
