There is no separate "voter ID." If you have a Wisconsin driver license, ID or one of these shown here, you have what you need to vote. [#WIVoterID](#)

Literally—as your own graphic shows—there are separate voter ID cards for certain UW students.\* Why are you lying to Wisconsinites?

\*The UW-Madison ID issued to students doesn't satisfy Wisconsin's voter ID so they must obtain a second, separate ID.

UW id cards: Photo id issued by a WI accredited university or college that contains date of issuance, signature of student, and an exp date no later than 2 years after date of issuance. Also, univ or college id must be accompanied by a separate document that proves enrollment.

If that's true, let Outagamie county know. I was told my VA card like the one on the right didn't have enough info.
