Replying to @WisconsinDOT

Wouldn't that mean 56% of those that died were wearing a belt? While I agree everyone should wear a seat belt, not sure a statistic that shows a higher percentage of those that died were wearing a seatbelt makes the best case for wearing one.

Wisconsin DOT on Twitter: "Last year in WI, over 44% of car and light truck occupants killed in traffic crashes were unbuckled. Please, buckle up and arrive alive. ...
