# PROPOSAL REQUIREMENT AND CONDITIONS

The bidder, signing and submitting this proposal, agrees and declares as a condition thereof, to be bound by the following conditions and requirements.

The bidder declares that they have carefully examined the site of, and the proposal, plans, specifications and contract forms for the work contemplated, and it is assumed that the bidder has investigated and is satisfied as to the conditions to be encountered, as to the character, quality, and quantities of work to be performed and materials to be furnished, and as to the requirements of the specifications, special provisions and contract. It is mutually agreed that submission of a proposal will be considered conclusive evidence that the bidder has made such examination.

The bidder submits herewith a bid bond, Certificate of Annual Bid Bond, certified, or cashier's check payable to the party as designated in the advertisement inviting proposals, to be retained by and become the property of the owner of the work in the event the undersigned fails to execute the contract and the contract bond, and return the same to the Bureau of Aeronautics within the 10 business days after having been notified in writing to do so; otherwise to be returned.

The bidder declares that they understand that the estimate of quantities in the attached schedule of prices is approximate only and that the attached quantities may be greater or less in accordance with the specifications.

The bidder agrees to perform the said work, for and in consideration of the payment of the amount becoming due on account of work performed, according to the unit prices bid in the following schedule of prices, and to accept such amounts in full payment for said work.

The bidder declares that all of the said work will be performed at their own proper cost and expense, that they will furnish all necessary materials, labor, tools, machinery, apparatus, and other means of construction in the manner provided in the approved plans and applicable specifications for the work together with all standard and special designs that may be designated on such plans, and the "Special Provisions" in the contract of which this proposal will become a part, if and when accepted. The bidder further agrees that the applicable specifications, all plans and working drawings are made a part hereof, as fully and completely as if attached hereto.

The bidder declares that if they are awarded the contract, they will execute the contract agreement; begin and complete the work within the time named herein; they will file a good and sufficient contract bond in the sum of the total amount of the contract to guarantee the successful execution of the work; and will comply with the requirements of worker's compensation according to Wis. Stat. §102 (2011).

The bidder declares that if they is awarded the contract, they will comply with the requirements of the "Special Provisions" and the applicable Wis. Stat. §66.0903 (3) (2000), relative to the maximum daily and weekly hours of employment of human labor and the Minimum Wage Rates pre-determined by the Secretary of Labor of the United States, and State of Wisconsin Department of Workforce Development for the several occupations or classifications of labor.
