# Commercial Driver License (CDL) examiners by county

Third party testing—The following testing companies may be contacted regarding CDL skills tests.

The maximum fee that a third party examiner may charge for a CDL skills test follows new requirements resulting from Wisconsin's implementation of the federal revisions to the Commercial Motor Vehicle Safety Act of 1986. The fee structure is:

- Full skills test (Vehicle Inspection, Basic Control Skills and Road Test) when successfully completed at one time = \$150
- Vehicle Inspection only = \$50
- Basic Control Skills only = \$50
- Road Test only = \$50
- Abbreviated School Bus Skills Test = \$50
- Lift Airbrake restriction (Vehicle Inspection required) = \$50
- Lift Manual Transmission restriction (Road Test required) = \$50
- Lift Tractor Trailer restriction (Vehicle Inspection, Basic Control Skills and Road Test required) = \$150

A third party examiner may choose to charge less than these fees. You may pay fees by cash, check or credit card. A service fee may apply for payment by credit card.

- No Show Fee – collected when a driver fails to appear for a scheduled appointment and fails to notify examiner in advance of cancelling scheduled test. No Show Fees include those charged per test scheduled for Vehicle Inspection (\$15), Basic Control Skills (\$15) and/or Road Test (\$15). If all three tests were scheduled, for example, No Show Fees = \$45.
- An additional fee may be charged if the third party examiner provides the use of a vehicle. Contact the specific examiner for details.

- Licensed commercial drivers are subject to retesting by Wisconsin DMV and Federal Motor Carrier Safety Administration CDL Examiners.
- A third party examiner may charge federal IRS mileage (2013: 56.5 cents/mile) for miles traveled to and from the test routes that exceed a 25 mile radius from the tester's headquarters.
