# Title and register your vehicle with eMV Public

[eMV Public application](#)[Instructions](#)[Frequently asked  
questions](#)[Glossary](#)

Welcome to the fastest, most convenient way to title and register (receive or transfer plates) for your new vehicle in Wisconsin. The eMV Public online system will walk you through each step of the process. You can easily register any of these vehicles in your own name upon completion of a private sale:

- Automobiles and Sport Utility Vehicles (SUVs)
- Light trucks (8,000 pounds or less, or farm trucks at 12,000 lbs.)
- Motorcycles
- Mopeds
- Recreational Vehicle Trailers (campers and mobile homes under 40 feet)

This application allows you to title and register a vehicle in your name. If you want to title a vehicle in your name but will not operate it on public roadways, you may title the vehicle by using the [eMV Public - No Operation](#) application.

Review the eMV Public [restrictions](#) to confirm if this online service will work for your vehicle and get other titling options. Before you start, have these handy:

- A Wisconsin [title](#), signed by the [seller\(s\)](#), including:
  - An [odometer reading](#) completed by the seller(s) on the back of the title for vehicles less than 10 model years old.

- A [lien release](#) if there is a [lien holder](#) listed on the front of the title and the loan is paid off.
- A [Wisconsin Driver License or Identification card](#), last four digits of your social security number and date of birth.
- Payment Information
  - Visa, MasterCard, American Express or Discover credit, debit card. Your credit or debit card will be charged a [convenience fee](#) for this service.  
**or**
  - Checking/savings account using ACH (Automated Clearing House) and avoid the [convenience fee](#).
- A printer with 8.5 by 11 inch paper.

After you pay and complete your transaction, you must mail the following items to receive your vehicle title, registration and/or license plates. The mailing address is on the eMV Public eApplication/Receipt – there is no need to visit a DMV Service Center or an agency/business that offers title and registration services:

- eMV Public receipt (see [sample](#))
- Valid original title signed by the seller
- Other items, if applicable, such as
  - a valid original lien release if the vehicle currently has a lien
  - an [MV2790](#) Trustee Statement for Certificate of Title if the seller is a trust
