## Who can use the eMV Public online application?

Anyone who is a Wisconsin resident and has a Wisconsin drivers license or identification card number.

## What if I do not have a Wisconsin driver license or ID card?

## How do I know if I am eligible to use eMV Public?

Use the link below to see if you have a restriction or incident that will stop you from obtaining a DMV product, such as license plates, a title or a driver license. There is no charge to use this system and it is available 24/7. If you do have a [restriction or incident](#) that prevents issuance of vehicle registration, you must resolve it before using eMV Public. Visit [eMV Public restrictions](#) for more requirements.

## What if my driving privilege is suspended or revoked?

Most reasons for suspended or revoked driving privileges do not affect your ability to title and/or register a vehicle. We have a free online application to check for [restrictions or incidents](#) that will stop you from obtaining a DMV product, such as license plates, a title or a driver license.

## What is a primary owner?

The DMV uses the primary owner's address to mail all products and correspondence for a vehicle. All owners of a vehicle legally have equal ownership regardless of who is listed as the primary owner.

## Can I enter more than one co-owner?

## What if I missed adding a co-owner?

You will have an opportunity to edit the information you entered in the e-MV Public application at the end of the process or you may cancel the transaction and start the application over to add a co-owner.
