## Eligibility

Emergency medical services (EMS) license plates are available to any Wisconsin motorist who is currently licensed as an EMS. The applicant for EMS plates must be an owner or lessee of the vehicle.

**Notice:** The decal at the bottom of the emergency medical services plate changed from "Emergency Medical Technician" to "Emergency Medical Services" effective November 1, 2017. All applications received on or after November 1, 2017, receive the EMS designation.

You may select from two plate designs:

- Black numbers/letters on a white background, first issued in 2007.
- Black numbers/letters on a red and white background, first issued in November 2011.

## Vehicles that qualify:

- trucks
  - 4,500, 6,000 or 8,000 pounds gross weight including dual purpose farm and dual purpose motor home
  - 12,000 pounds gross weight farm truck

## Things you should know:

- A \$15 fee is required each year in addition to the regular annual registration fee if you choose to receive personalized EMS plates.
- If your EMS license expires and is not renewed, you must exchange your EMS plates for regular license plates, unless the retirement is due to an injury suffered during the course of duty. Notify WisDOT Special Plates Unit by letter or [email](#) if someone uses EMS plates who does not currently qualify for them.
