## How to apply

### Form

### Fees

Consecutive monthly fee is 1/12 the annual fee times the number of months of registration plus a fee of \$15 per vehicle per consecutive monthly period requested. Refer to the Gross Weight Fee Schedule on form MV1 or the fee charts for pro-rated fees:

### Non-operation

If the vehicle is currently registered to you, but the registration has expired and the vehicle was out of operation at least three months, complete section F of the MV1 stating the time period that the vehicle has not been operated.

### Apply

Mail the application and appropriate fees to the address on the front of the MV1 application. If you wish to do this in person, please check the  [DMV Finder](#) to find out which DMV customer service centers can process these types of transactions.

### Telephone authorization

Telephone authorization (TA) is a call-in procedure only for intra-state operation of motor carriers that allows them to operate on Wisconsin highways without displaying evidence of registration. The program allows for immediate operation of an unregistered or newly acquired vehicle. Vehicles registered quarterly or consecutive monthly may obtain telephone authorization for a \$7.50 fee by calling (608) 267-5103.
