What's distracting you?

It's not just a call or a text or a quick bite - it's a potentially deadly distraction.

In Wisconsin, there are five distracted driving crashes every hour.

When driving a vehicle, park everything else.

Focus on driving and arrive alive.

PICTURE YOURSELF IN WISCONSIN.

Wisconsin's selfie stands are perfectly positioned to help you say "I was there." You can find them at some of the most beautiful spots across the state. To find state parks with selfie stands, look for the selfie icon in the key to the right. Or find them online at: TravelWisconsin.com/selfiestands

ACCESSIBLE SELFIE STANDS

Selfie stands accessible to all visitors are available in select parks and are located next to a path.

WILLOW RIVER STATE PARK

Snap your selfie using the stand found on the bridge overlooking Willow Falls - it's a short hike in, and worth every step.

BRUNET ISLAND STATE PARK

Brunet Island's quiet lagoons and channels are particularly great for canoeing and wildlife watching, and its hiking trails mark an intersection with Wisconsin's famed Ice Age National Scenic Trail.

ROCHE-A-CRI STATE PARK

Find Native American petroglyphs carved into the sides of a 300-foot rock outcropping at the heart of the park. Climb the stairway to the top for a panoramic view of the prairie.

THIS IS A TRAVEL WISCONSIN SELFIE STAND. LOOK FOR THEM ALL WITHIN PARKS AROUND THE STATE.

DEVIL'S LAKE STATE PARK

You can thank a glacier for leaving behind the legendary rock formations and quartzite bluffs at Devil's Lake, making this park one of Wisconsin's most popular and scenic destinations.

BIG FOOT BEACH STATE PARK

Just minutes from downtown Lake Geneva, enjoy a swimming beach, popular picnic area and miles of hiking trails on the shore of beautiful Geneva Lake.

PENINSULA STATE PARK

Peninsula State Park is an outdoor-lover's playground, complete with sandy beach, summer theatre, hundreds of campsites and a historic lighthouse along eight miles of pristine Door County shoreline.

AMNICON FALLS STATE PARK

Set your sights on the series of striking waterfalls and rapids that give Amnicon Falls its name. Spot them from trails along the river, or from above on the covered foot bridge.

WHITEFISH DUNES STATE PARK

Wisconsin's highest sand dunes make for an especially scenic selfie backdrop - not just of you, but your dog, too! A marked dog beach nearby provides ample space for pups to play.

KOHLER-ANDRAE STATE PARK

Relax on a mile of sandy, ocean-like beach along the Lake Michigan shoreline. Adaptive equipment like beach wheelchairs and special trails ensure everyone can enjoy the water.

HARTMAN CREEK STATE PARK

Cast a line off the accessible fishing pier located on Allen Lake, then show off your catch using the selfie stand at the Allen Lake Picnic Area.

KETTLE MORAIN STATE FOREST

Visit the Kettle Moraine Lapham Peak Unit for a breathtaking birds-eye view from atop the observation tower. It's the highest point in Waushara County, and a perfect place to spot fall color.
