Statutes Interpreted

Statutes interpreted: Section 93.07 (18) (b) 6., 7., Stats., and ss. 20.115 (4) (s) and 93.60, Stats. (2011).

Statutory Authority

Statutory authority: Section 227.26(4), Stats.

Explanation of Agency Authority

Pursuant to s. 227.26 (4), Stats., the department may petition for repeal of an unauthorized rule. An unauthorized rule is one that “an agency lacks the authority to promulgate due to the repeal or amendment of the law that previously authorized its promulgation.” Section 93.07 (18) (b) 6., 7., Stats., requires the department promulgate rules on goals and accountability measures for economic development programs administered by the department. ATCP 161.50 (3) (e) defines an “economic development program” to include the grazing lands conservation program. 2013 Wisconsin Act 20 repealed ss. 201.115 4) (d) and 93.60, which appropriated funds and authorized the program.

Related Statutes and Rules

Not applicable.

Brief Summary of Proposed Rule

The proposed rule repeals ATCP 161.50 (3) (e), relating to agricultural development and market promotion. This section of the rule was promulgated in 2011. ATCP ch. 161, subch. V establishes accountability requirements for economic development programs administered by the department. The section that is the

subject of this Petition, ATCP 161.50 (3), defines “economic development program” to include the grazing lands conservation program. 2013 Wisconsin Act 20 repealed ss. 201.115(4)(d) and 93.60, which appropriated fund and authorized the program. Therefore, the department has determined that ATCP 161.50 (3) (e), is unauthorized due to the passage of 2013 Wisconsin Act 20 and seeks its repeal pursuant to s. 227.26 (4), Stats.
