Section Pod 3.04 is revised to reflect s. 440.03 (4m), Stats., as created by 2017 Wisconsin Act 59. Under this provision, the Board may require a credential holder to submit proof of completion of continuing education programs or courses only if a complaint is made against the credential holder.  The proposed rules also revise the provisions in ss. Pod 3.03 (2) and 3.04 to provide a consistent standard for the retention of evidence of completion of continuing education requirements, and make changes throughout the remainder of ch. Pod 3 to provide clarity and conform to current standards for drafting administrative rules.

## ADMINISTRATIVE RULES

### Fiscal Estimate & Economic Impact Analysis

The proposed rule will not have a significant impact on specific businesses, business sectors, public utility rate payers, local governmental units, or the state's economy as a whole.

The Department estimates one-time administrative costs of \$274.59. These costs may be absorbed in the agency budget.

#### 15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

The benefit to implementing the rule is putting in place an initiative to address prescription drug abuse. Not implementing the rule would be inconsistent with the statewide initiative to address this issue.

---

#### 16. Long Range Implications of Implementing the Rule

The long range implication of implementing the rule is increased podiatrist awareness of prescription drug abuse.

---

#### 17. Compare With Approaches Being Used by Federal Government

None

---

#### 18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

##### Illinois:

68 Ill. Admin. Code 1360.70 d) 2) provides the requirements for retention and production of evidence of compliance with the continuing education requirements. The Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation may require additional evidence demonstrating compliance with the continuing education requirements. It is the responsibility of each applicant for renewal to retain or otherwise produce evidence of such compliance. Such additional evidence is required in the context of the Division's random audit.

The rules do not require continuing education related to prescribing opioids.

##### Iowa:

645 IAC 4.11 provides the requirements for retention and production of evidence of compliance with the continuing education requirements. The Iowa Board of Podiatry may select licensees for audit following license renewal. Upon audit, a licensee is required to provide an individual certificate of completion issued to the licensee or evidence of successful completion of the course from the course sponsor. All licensees must retain documentation of compliance with the continuing education requirements for two years following license renewal.

The rules do not require continuing education related to prescribing opioids.

##### Michigan:

Mich Admin Code, R 338.8126 (2) provides the requirements for retention and production of evidence of compliance with the continuing education requirements. The Michigan Board of Podiatry may require a licensee to submit evidence of compliance, and all licensees are required to retain documentation of meeting the requirements for a period of 4 years from the date of applying for license renewal.

The rules require a minimum of 5 of the 150 hours of continuing education required for renewal to be earned in the area of pain and symptom management (Mich Admin Code, R 338.8127).

##### Minnesota:

Minnesota Rules, Part 6900.0200 Subpart 4 provides the requirements for retention and production of evidence of compliance with the continuing education requirements. All licensees must, during each renewal period, submit proof of attendance at qualifying continuing education programs to the Minnesota Board of Podiatric Medicine. Verification must be in the form of a certificate, descriptive receipt, or affidavit.

The rules do not require continuing education related to prescribing opioids.
