Department of Health Services

Annual Adjustment to Fees That May be Charged by a Health Care Provider for Providing Copies of a Patient's Health Care Records

Statutory Authority

Pursuant to Wis. Stat. §146.83 (3f) (c) 2., each July 1, beginning on July 1, 2012, the Department of Health Services is required to adjust, by the percentage difference between the consumer price index for the 12-month period ending on December 31 of the preceding year and the consumer price index for the 12-month period ending on December 31 of the year before the preceding year, the dollar amounts specified under Wis. Stat. §146.83 (3f) (b) that a health care provider may charge for providing copies of a patient's health care records.

Under the methods prescribed in Wis. Stat. §146.83 (3f) (c) 2., the adjusted dollar amounts that a health care provider may charge for providing copies of a patient's health care records are as follows:
