Notice of Public Comment Period for CR 21-010 Biennial Cleanup of DPI Administrative Rules

Notice is hereby given that pursuant to s. 227.14 (2) (a) 8., Stats., the Department of Public Instruction is accepting written comments on Clearinghouse Rule 21-010, relating to biennial cleanup of DPI Administrative Rules.

The objective of the proposed rule is to make technical changes to existing DPI rules, which include correcting unnecessary rules and rules superseded by and in conflict with state statutes, resulting from the department's biennial review of administrative rules as required under s. 227.29, Stats. Other technical changes identified to clarify existing rules but don't necessarily meet the criteria required under the statute will also be included in the proposed rule. The rule changes are as follows:

- **PI 19 (Education for school age parents):** The language referring to approved costs under s. PI 19.05 is proposed to be repealed because the requirement to submit annual program plans to the department, which includes costs for school age parent programs being submitted for reimbursement, is no longer needed. The annual requirement to submit program plans was repealed in the department's previous biennial review under Clearinghouse Rule 19-069. The references to approved costs under s. PI 19.05 was intended to be removed under Clearinghouse Rule 19-069 but was omitted in error. Because the annual requirement to submit program plans is no longer in rule, the reference to approved costs under s. PI 19.05 must also be repealed to help clarify the rule as it has been rendered unnecessary.
- **PI 34 (Educator licenses):** 2019 Wisconsin Act 43, relating to a license to teach based on reciprocity and granting rule-making authority, created a tier II license based on reciprocity. This has rendered s. PI 34.038 in conflict with statute because the original license based on reciprocity under this section was a tier I license. The proposed technical changes under this rule will address s. PI 34.038 to bring the rule chapter in conformity with the statutes.

Further, s. PI 34.108 governs the rules relating to the Professional Standards Council. Section PI 34.108 (3) is in conflict with s. 15.377 (8) (c) 14., Stats., which requires that a member of the Tribal School shall be included as a member of the Council. This is already being done in alignment with the statute but a technical change is needed to amend s. PI 34.108 (3) to include a member of a Tribal School.

- **PI 40 (Early college credit program):** The rule is missing definitions for "state superintendent" and "department," which is not one of the criteria required in the biennial review of administrative rules under s. 227.29, Stats. However, a technical correction is required to create definitions for both terms in the rule per rule drafting guidelines prescribed in statute.

The proposed permanent rules will not have an effect on small businesses, as defined under s. 227.114 (1), Stats.
