

**NOTICE OF PUBLIC HEARING  
OFFICE OF THE COMMISSIONER OF INSURANCE**

The Office of the Commissioner of Insurance (OCI) will hold a public hearing via conference call on the Wisconsin Healthcare Stability Plan (WIHSP) proposed 2022 payment parameters. Consistent with Wis. Stat. §601.83 (2), the Commissioner adjusted the payment parameters with the goal to stabilize or reduce premium rates, increase participation by health insurers, improve access to health care providers and services, and mitigate the impact of high-risk individuals participating in the individual health insurance market. The Commissioner is seeking public input through the preliminary public hearing and comment period regarding the proposed 2022 payment parameters.

**Preliminary Payment Parameters:**

The Commissioner engaged an actuarial consulting firm to assist OCI in developing its preliminary payment parameters for plan year 2022 consistent with Wis. Stat. §601.83 (2). After considering the data received by insurers and best estimates for 2022 enrollment, it has been determined that a slight modification from the 2021 parameters is necessary to keep WIHSP from exceeding its funding limit of \$200 million. The Commissioner is proposing the following payment parameters for plan year 2022:

Attachment point: \$40,000  
Coinsurance rate: 43.75 percent  
Reinsurance cap: \$175,000
